Story Of Eng

Paul Delaney

Story Of Eng:

The Stories of English David Crystal, 2005-09-06 A groundbreaking history of worldwide English in all its dialects differences and linguistic delights Informative distinctive a spirited celebration The Guardian In this well informed and appealing work Publishers Weekly David Crystal puts aside the usual focus on standard English and instead provides a startlingly original view of where the richness creativity and diversity of the language truly lies in the accents and dialects of nonstandard English users all over the world Whatever their regional social or ethnic background each group has a story worth telling whether it is in Scotland or Somerset South Africa or Singapore He reminds us that for several hundred wonderful years there was no such thing as incorrect English and traces the evolution of the language from a few thousand Anglo Saxons to the 1.5 billion people who speak it today Moving from Beowulf to Chaucer to Shakespeare to Dickens and the present day Crystal puts regional speech and writing at center stage giving a sense of the social realities behind the development of English This significant shift in perspective enables us to understand for the first time the importance of everyday previously marginalized voices in our language and provides an argument too for the way English should be taught in the future A work of impeccable scholarship that could easily serve as a standard textbook for students of linguistics but Mr Crystal reaching out to a more general audience recognizes that even the most avid reader might flinch at the sections on Old Norse grammatical influence Cleverly he has sprinkled the book with little digressions set apart in boxes that address historical mysteries strange loanwords interesting etymologies and the like The New York Times Learned and often provocative demonstrates repeatedly that common conceptions about language are often historically inaccurate split infinitives bothered no one until recently likewise sentence ending prepositions Kirkus Reviews starred review Simply the best introductory history of the English language family that we have The plan of the book is ingenious the writing lively the exposition clear and the scholarly standard uncompromisingly high J M Coetzee winner of the Nobel Prize in Literature

The Story of English Robert McCrum, William Cran, Robert MacNeil, 2003 Presents the history of the English language from its obscure Anglo Saxon origins to its present status as the world's most prominent and fast growing international language

The Story of English in 100 Words David Crystal, 2011-10-13 Featuring Latinate and Celtic words weasel words and nonce words ancient words loaf to cutting edge twittersphere and spanning the indispensable words that shape our tongue and what to the more fanciful fopdoodle Crystal takes us along the winding byways of language via the rude the obscure and the downright surprising In this unique new history of the world's most ubiquitous language linguistics expert David Crystal draws on words that best illustrate the huge variety of sources influences and events that have helped to shape our vernacular since the first definitively English word was written down in the fifth century roe in case you are wondering

Edinburgh Companion to the Short Story in English Paul Delaney, 2018-11-27 This collection explores the history and development of the anglophone short story since the beginning of the nineteenth century **The Cambridge Companion**

to the English Short Story Ann-Marie Einhaus,2016-06-06 This Companion provides an accessible overview of short fiction by writers from England Scotland Ireland Wales and other international sites A collection of international experts examine the development of the short story in a variety of contexts from the early nineteenth century to the present They consider how dramatic changes in the publishing landscape during this period such as the rise of the fiction magazine and the emergence of new opportunities in online and electronic publishing influenced the form covering subgenres from detective fiction to flash fiction Drawing on a wealth of critical scholarship to place the short story in the English literary tradition this volume will be an invaluable guide for students of the short story in English **The Story of English** ,1986 The Story of English Speech Charles Noble,1914 **Operas in English: A Dictionary** Margaret Ross Griffel,2012-12-21 In this revised and expanded edition of *Operas in English: A Dictionary* Margaret Ross Griffel updates her work on operas written specifically to an English text including not only works originally in English but also those set to new English librettos Since the book's initial publication in 1999 Griffel has added nearly 900 new items bringing the total number of entries in this new edition to 4 400 covering the world of opera in English from 1634 through 2011 The front matter includes a brief history of English opera to set the stage for the dictionary entries that follow Listed alphabetically each opera entry includes alternative titles a full descriptive title the number of acts composer's name librettist's name with original language of the libretto the source of the text date place and cast of the first performance date of composition if it occurred substantially earlier than the premiere similar information for the first U S including colonial and British England Scotland Wales performances brief plot summary main characters names and vocal ranges where known names of noteworthy numbers comments on special musical problems and techniques other settings of the text including non English ones other operas if any involving the same story or characters cross references are indicated by asterisks Entries include such information as first and critical editions of the score and libretto a bibliography ranging from scholarly studies to more informal journal articles and reviews a discography and information on video recordings *Operas in English* features four appendixes a selective bibliography and two indexes The first appendix lists composers their places and years of birth and death and their operas included in the text as entries the second does the same for librettists the third records authors whose works inspired or were adapted for the librettos and the fourth comprises a chronological listing of the A Z entries including the date of first performance the city of the premiere or composition date if unperformed or performed much later the short title of the opera and the composer There is a main character index and an index of singers conductors producers composers of other settings and other key figures
