Stranger In Baja:

Baja David Ollier Weber, 2006 Thrown Among Strangers Douglas Monroy, 1990-11-15 Every California schoolchild's first interaction with history begins with the missions and Indians. It is the pastoralist image of course and it is a lasting one. Children in elementary school hear how Father Serra and the priests brought civilization to the groveling lizard and acorn eating Indians of such communities as Yang-na now Los Angeles. So edified by history many of those children drag their parents to as many missions as they can. Then there is the other side of the missions one that a mural decorating a savings and loan office in the San Fernando Valley first showed to me as a child. On it a kindly priest holds a large cross over a kneeling Indian. For some reason though the padre apparently aims not to bless the Indian but rather to bludgeon him with the emblem of Christianity. This portrait too clings to the memory capturing the critical view of the missionization of California's indigenous inhabitants. I carried the two childhood images with me both when I went to libraries as I researched the missions and when I revisited several missions thirty years after those family trips. In this work I proceed neither to debunk nor to reconcile these contrary notions of the missions and Indians but to present a new and I hope deeper understanding of the complex interaction of the two antithetical cultures.

Baja Oklahoma Dan Jenkins, 2010-03-01 Dan Jenkins' second best known novel *Baja Oklahoma* features protagonist Juanita Hutchins who can cuss and politically commentate with the best of Jenkins' male protagonists. Still convincingly female though in no way dumb and girly fortyish Juanita serves drinks to the colorful crew patronizing Herb's Cafe in South Fort Worth, worries herself sick over a hot to trot daughter proving too fond of drugs and the dealers who sell them, endures a hypochondriac mother whose whinings would justify murder, dates a fellow middle ager whose connections with the oil industry are limited to dipstick duty at his filling station and by the way she also hopes to become a singer songwriter in the real country tradition of Bob Wills and Willie Nelson. That Juanita is way too old to remain a kid with a crazy dream doesn't matter much to her. In between handing out longneck beers to customer acquaintances, battling hot flashes and deciding when boyfriend Slick is finally going to get lucky, Juanita keeps jotting down lyrics reflective of hard won wisdom and setting them to music composed on her beloved Martin guitar. Too many of her early songwriting results are one dimensional or derivative but finally she hits on something both original and heartfelt a tribute to her beloved home state warts and all.

Stranger in Baja John Hewitt, 2005-12-28 *Stranger in Baja* takes the reader to sun struck and tawdry Cabo San Lucas the overdeveloped resort outpost on Mexico's bone dry southern Baja peninsula and the setting for a street war between evangelical foreigners and local Catholics. Troubled by doubts and demons, naive missionary volunteer Rob Hudson arrives in Cabo on a soul seeking mission and finds a world of inept arsonists, wily healers, prying journalists, Machiavellian bosses, troubled hermits, hip hop bands, lunar rituals, drug gangs and a music teacher who rocks his soul.
