**Samuel Austin Allibone**

## **The Dark Landscape Of Modern Fiction:**

**The Dark Landscape of Modern Fiction** Patrick Reilly, 2018-05-08 This title was first published in 2003 This text explores the dark pessimistic truth that pervades the pages of modern texts setting a theme of Dante's Inferno against the work of modern authors including Dostoyevsky Hardy Conrad Wharton Kafka Camus Waugh and Flannery O'Connor The author's thesis is that these writers exhibit a hostility towards the reader an anger that the reader should continue to be so deludedly happy when the writer has become so mortifyingly enlightened At its most characteristic Reilly demonstrates modern fiction seems to achieve a savage satisfaction in inflicting this pain to an extent that could be described as sadistic Reilly traces what he calls this punitive spirit to a character in the Inferno Vanni Fucci who suffering himself does his best to make Dante suffer too Through the study he uses the Inferno as a guide to the prevailing attitudes in modern fiction revealing a parallel between the prohibition of pity within the medieval poem and in the pages of modern texts
