Chronology of the Death Valley Region in California, 1849-1949, and Place Names of the Death Valley Region in California and Nevada, 1845-1947 Theodore Sherman Palmer, 1989-01-01 Chronology and Names of the Death Valley Region in California 1849 1949      Death Valley Bourke Lee, 1930 This story of Death valley includes the geologic history of the valley and a survey of its plant and animal life but the bulk of the tale is about men Indians emigrants and miners who have known the Death valley trails      Death Valley and the Amargosa Richard E. Lingenfelter, 1988-01-11 This is the history of Death Valley where that bitter stream the Amargosa dies It embraces the whole basin of the Amargosa from the Panamints to the Spring Mountains from the Palmettos to the Avawatz And it spans a century from the earliest recollections and the oldest records to that day in 1933 when much of the valley was finally set aside as a National Monument This is the story of an illusory land of the people it attracted and of the dreams and delusions they pursued the story of the metals in its mountains and the salts in its sinks of its desiccating heat and its revitalizing springs and of all the riches of its scenery and lore the story of Indians and horse thieves lost argonauts and lost mine hunters prospectors and promoters miners and millionaires stockholders and stock sharps homesteaders and hermits writers and tourists But mostly this is the story of the illusions the illusions of a shortcut to the gold diggings that lured the forty niners of inescapable deadliness that hung in the name they left behind of lost bonanzas that grew out of the few nuggets they found of immeasurable riches spread by hopeful prospectors and calculating con men and of impenetrable mysteries concocted by the likes of Scotty These and many lesser illusions are the heart of its history      **Secrets of the Lost Races** Rene Noorbergen, 2001 An increasing number of historical and archaeological finds made around the world have been classified as out of place artifacts ooparts They have been called this because they appear unexpectedly among the ruins of the past with no evidence of a preceding period of development their technological sophistication seems far beyond the capabilities of ancient peoples Drawing on the literature and art of the Chaldeans Sumerians Babylonians and others Rene Noorbergen s contention is that a superior race of man was responsible for these scientific marvels that bear testimony to a civilization with technology comparable to our own      *Death Valley* Robert P. Palazzo, 2008 Death Valley its harsh and rugged landscape established a national monument in 1933 and named a national park in 1994 has long held a fascination for visitors even before it became tourist friendly Shortly after the first visit of nonnative inhabitants a party of forty niners looking for a shortcut to the goldfields of California crossed this land with tragic results inadvertently giving the valley its moniker Despite the immense suffering in their midst prospectors began exploring the area looking for mineral wealth Boomtowns formed prospered and died all within a few years most disappearing completely into the desert Adding to Death Valley s mystique was the shameless self promotion of Death Valley Scotty which lasted for a period spanning more than 50 years      **Beyond this Place There be Dragons** George Koenig, 1984      **Lost California Treasure** W. Craig Gaines, 2023 Tales of California s buried treasures lost mines and
