Bridei is a young nobleman fostered at the home of Broichan, one of the most powerful druids in the land. His earliest memories are not of hearth and kin but of this dark stranger who, while not unkind, is mysterious in his ways. The tasks that he sets Bridei appear to have one goal: to make him a vessel for some distant purpose. What that purpose is, Bridei cannot fathom, but he trusts the man and is content to learn all he can about the ways of the world. But something happens that will change Bridei's world forever and possibly wreck all of Broichan's plans. For Bridei finds a child on their doorstep on a bitter Midwinter Eve: a child seemingly abandoned by the fairie folk. It is uncommonly bad luck to have truck with the Fair Folk, and all counsel the babe's death. But Bridei sees an old and precious magic at work here and, heedless of the danger, fights to save the child. Broichan relents but is wary. The two grow up together and, as Bridei comes to manhood, he sees the shy girl Tuala blossom into a beautiful woman. Broichan sees the same process and feels only danger for Tuala could be a key part in Bridei's future or could spell his doom. Across the diverse tapestry of its episodes, Black Mirror has both dramatized and deconstructed the shifting cultural and technological coordinates of the era like no other. With each of the nineteen chapters focussing on a single episode of the series, this book provides an in-depth analysis into how the show interrogates our contemporary desires and anxieties while simultaneously encouraging audiences to contemplate the moral issues raised by each episode. What if we could record and replay our most intimate memories? How far should we go to protect our children? Would we choose to live forever? What does it mean to be human? These are just some of the questions posed by Black Mirror and, in turn, by this volume. Written by some of the foremost scholars in the field of contemporary film and television studies, *Through the Black Mirror* explores how Black Mirror has become a cultural barometer of the new millennial decades and questions what its embedded anxieties might tell us. **The Dark Mirror** Suzanne Harper,1989 **The Dark Mirror [pressbook]**.,1946 **Theology and Black Mirror** Amber Bowen,John Anthony Dunne,2022-04-14 Black Mirror Netflix's dystopian anthology probes what it means to be human

in a technological world While the show raises interesting if not disturbing questions it refrains from giving answers putting the onus on viewers to continue the conversation Accordingly Theology and Black Mirror engages questions and prominent themes in the show with resources from the Christian tradition including the academic disciplines of biblical studies theology philosophy and ethics *The Dark Mirror* John Davie Fite,1997
