**The Dead Seed** William Campbell Gault,2012-09-18 Brock s boyhood idol moves in next door before vanishing and leaving a body in his wake In Hollywood s golden age there was no finer swashbuckler than Fortney Grange Decades after he last swung on a chandelier Grange is nearly forgotten his legacy surviving only in fuzzy black and white on the late late movie channel But to Brock Callahan Grange remains a hero When his idol shacks up with the aged widow next door the ex private investigator is starstruck It takes a murder for the celluloid sheen to begin to fade A strange pair of Arizona blackmailers takes up residence in a van outside Grange s house Grange and his new lady friend disappear and a few days later his agent is found dead Though it breaks his heart Callahan is forced to investigate the man who has given him so much joy And it will take more than swordplay for this aging daredevil to escape the chair The Dead Seed is the 11th book in the Brock Callahan Mysteries but you may enjoy reading the series in any order The Power of Images in Paul Raymond F. Collins,2008 In his letters to the early Christian communities the apostle Paul left for Christians of all time an array of powerful images from the pain of a thorn in the flesh to the tenderness of a nursing mother for her children from the competition on an athletic field to the growth of an agricultural field In The Power of Images in Paul Raymond Collins explores how Paul uses the ordinary to describe what is extraordinary how Paul skillfully uses a wide range of metaphors as a means of both persuasion and clarification But this book is more than an analysis of Paul s images themselves Collins also examines how Paul deliberately draws from secular as well as religious and biblical themes in order to draw a culturally diverse audience into relationship with Christ Entering Paul s world with Collins readers will better appreciate Paul s use of metaphor and more important be persuaded as was Paul s original audience of God s unfailing love in Christ The Dead Seed Consultant Anaesthetist Sue Smith, Tea,Sue Smith,2016-01-06 The Dead Seed is a story about a southern lady everyone called Ms Nancy She was a very private person and no one really knew Ms Nancy or what her life had been like before she moved to their town When she passed away at the age of ninety five her story began to unfurl Go with Sara as she discovers the many adventures of Ms Nancy s journals and the legacy she left behind that helped so many years after she was dead and buried in the ground What is the meaning behind the poem about the little DWR **Symposium on Current Research in the Chemical Sciences** Timothy G.
