The Dancing Floor John Buchan (Illustrated) John Buchan, 2021-05-25 The Dancing Floor is a 1926 novel by John Buchan featuring Edward Leithen It is the third of five novels written about the character of Leithen *The Dancing Floor* John Buchan (baron Tweedsmuir), 1956 *The Dancing Floor* John Buchan, 2020-10-18 This story was told me by Leithen as we were returning rather late in the season from a shooting holiday in North Ontario There were few passengers the weather was a succession of snow blizzards and gales and as we had the smoking room for the most part to ourselves we stoked up the fire and fell into a mood of yarns and reminiscences Leithen being a lawyer has a liking for careful detail and his tale took long in the telling indeed snatches of it filled the whole of that rough October passage The version I have written out is amplified from his narrative but I think it is accurate for he took the trouble to revise it Romance he said is a word I am shy of using It has been so staled and pawed by fools that the bloom is gone from it and to most people it stands for a sugary world as flat as an eighteenth century Arcadia But dry stick as I am I hanker after my own notion of romance I suppose it is the lawyer in me but I define it as something in life which happens with an exquisite aptness and a splendid finality as if Fate had suddenly turned artist something which catches the breath because it is so wholly right Also for me it must happen to youth I do not complain of growing old but I like to keep my faith that at one stage in our mortal existence nothing is impossible It is part of my belief that the universe is on the whole friendly to man and that the ordering of the world is in the main benevolent So I go about expecting things waiting like an old pagan for the descent of the goddess And once only once I caught the authentic shimmer of her wings **Dance Music Spaces** Danielle Antoinette
