**Jerome Nilssen**

## **The Dancing Sun:**

The Dancing Bees Tania Munz,2022-12-22 A triumph of science writing a well crafted deeply researched story of politics ethics and the fascinating lives of humans and bees Jonathan Eig New York Times bestselling author We think of bees as being among the busiest workers in the garden admiring them for their productivity But amid their buzzing they are also great communicators and unusual dancers As Karl von Frisch 1886 1982 discovered during World War II bees communicate the location of food sources to each other through complex circle and waggle dances As Tania Munz shows in this exploration of von Frisch s life and research this important discovery came amid the tense circumstances of the Third Reich The Dancing Bees draws on previously unexplored archival sources in order to reveal von Frisch s full story including how the Nazi government in 1940 determined that he was one quarter Jewish revoked his teaching privileges and sought to prevent him from working altogether until circumstances intervened In the 1940s bee populations throughout Europe were facing the devastating effects of a plague just as they are today and because the bees were essential to the pollination of crops von Frisch s research was deemed critical to maintaining the food supply of a nation at war The bees as von Frisch put it years later saved his life Munz not only explores von Frisch s complicated career in the Third Reich she looks closely at the legacy of his work and the later debates about the significance of the bee language and the science of animal communication Will surely become a classic in the literature on the history of biology in the twentieth century Thomas D Seeley author of *Honeybee Democracy*

*Day of the Dancing Sun* Phyllis Hastings,1971      **Native Writers and Canadian Writing** W. H. New,2011-11-01 Sometimes people are willing to listen only to those voices that confirm the conventions they already know The unfamiliar makes them fear Or makes them condescend Neither fear nor condescension encourages listening And no one who does not listen learns to hear W H New Learning to Listen Native Writers and Canadian Writing is a co publication with Canadian Literature Canada s foremost literary journal of a special double issue which focuses on literature by and about Canada s Native peoples and contains original articles and poems by both Native and non Native writers These not only reflect the growing prominence of contemporary Native writing but also direct the reader to the traditional literature from which it springs and which has been largely misunderstood by the non Native community myths rituals and songs having been interpreted more often as artistic curiosities rather than the masterworks of a different culture Essays examining the conventional portrayals of Native people in literature touch on works which range from the eighteenth century journals of explorer Alexander Mackenzie to the novels of James Fenimore Cooper and to early writers in Canada such as historian humourist Thomas Chandler Haliburton Studies of Native literature focus on the oral literary traditions of the Haida and Inuit and their transcribers and on modern works by playwright Tomson Highway and authors Lee Maracle and Thomas King among others These commentaries illuminate the way in which Native writers view themselves and their disparate worlds their gifts for pathos humour and self parody and their search for their own voices and distinct forms of communication

Viewing Canada's Native peoples in historical anthropological and political contexts the book exposes prejudices and misconceptions entrenched since colonial days regarding Native societies and their moral spiritual and political values values embodied in their hereditary literature Just as Native visual art has flourished in recent years the book records the initiatives now being taken by Native societies to preserve and promote their own cultural identity through the spoken and written word These include control of their own education creative writing programs projects to preserve still extant languages folklore songs and rituals and the founding of Native publishing houses Not only are these endeavours valuable contributions to tribal cultures but they also contribute to the past and ongoing literary heritage of Canada as a nation Recognition of the place of Native literature as an integral part of the Canadian cultural scene is one of the main goals of Native Writers and Canadian Writing As W H New points out this collection is a speaking place a series of opportunities to begin listening Native Writers and Canadian Writing has been produced as one of the projects celebrating the 75th anniversary of the University of British Columbia

**Behavioral Neurobiology** Günther K. H. Zupanc,2010-05-13 Shaun D Cain The Journal of Experimental Biology Book Jacket

An Anthropological Study of Spirits Christine S. VanPool,Todd L. VanPool,2023-05-28

This book discusses the cultural importance of spirits what spirits want and how humans interact with them using examples from around the world and through time Examples range from the vengeful spirits of the Zulu that cast lightning bolts from clear skies to punish wrongdoers to the benevolent Puebloan Kachina that encourage prosperity safety and rain in the arid American Southwest The case studies illustrate how humans seek to cooperate or counteract spirits to heal the physical and spiritual ailments of their people to divine the truth or to gain resources Building from their cross cultural analyses the authors further discuss how our physiology and psychology impact our interaction with the spirits Readers will come away with an appreciation of the beauty and power of the spirits that continue to shape the lives of people around the world

*Et Presence the Role of the Usa and New World Visions* Renato Longato,2012-03-27 Other countries have openly announced and welcomed the ET presence When will America own up to the truth Or will it be forced under exceptional circumstances to begin a communication with our cosmic counterparts The author provides insights and historical references concerning the potential cultural impact of the extraterrestrial presence in this millennium with the USA as the leading country in the epicenter of economic social and geopolitical changes An official contact with an advanced society may bring opportunity or risk depending on how we face the challenges on our planet and most importantly within ourselves This book summarizes

more than thirty years of study and research about UFOs and looks at the forthcoming possibilities

*Curiosities of Popular Customs and of Rites, Ceremonies, Observances, and Miscellaneous Antiquities* William S. Walsh,1898

**Guilderoy** Ouida,1889

**The Outlook** ,1897

**The Metaphysical Magazine** ,1910

**The Indian Sign Language** William Philo Clark,1885 Under orders from General Sheridan Captain W P Clark spent over six years among the Plains Indians and other tribes studying their sign language In addition to an alphabetical cataloguing of signs Clark gives valuable background

information on many tribes and their history and customs Considered the classic of its field this book provides entirely in prose form how to speak the language entirely through sign language without one diagram provided **The Drowning, the Dancing** Jerome Nilssen,1968 Harper's Young People ,1886 The Open Court Paul Carus,1898 **Molly Bawn** Hungerford,1878 *Mother Figured* Deirdre de la Cruz,2015-12-30 Mother Figured is a wide ranging study of apparitions and miracles of the Virgin Mary in the Philippines from the mid nineteenth century to the present While most analyses have read Marian revival as antimodern de la Cruz demonstrates that its origins actually lie within secular modernity She takes inspiration from one of Mary s titles that has grown in popularity in modern times Mary the Mediatrix to show how modern print and technological media enable and support the circulation of miraculous narratives and images While thoroughly grounded in local tradition the resurgence of Marianism in the Philippines is a subject of global relevance De la Cruz portrays Filipino Catholics not as mere followers of the faith from the margins or from below but as guardians of orthodoxy and aggressive purveyors of their own sort of Christian universalism In this sense the book offers a timely analysis of the social and political implications of contemporary Christianity s shift to the Global South *The Granite Monthly* Henry Harrison Metcalf,John Norris McClintock,1892 **Photography** ,1896 *Outlook and Independent* ,1897 **Redemption: a Poem on the Last Days of Our Lord** Andrew Horsburgh,1879
