Advancing On the Kingdom of Darkness with Power Troy B. Clerk, 2023-09-08 Any good commander will make certain that their soldiers have correct and ample intelligence about the battles they are preparing to fight This is what we have from our commander in chief Jesus Christ In Matthew 24 Jesus entrusts the soldier with a prophetic outline of the end times He explains what the world would look like in the advanced stages of depravity Matthew 24 6 7 He further shared about the rise of religious deception Matthew 24 4 5 the falling away of the church Matthew 24 9 12 and the great tribulation Matthew 24 21 Also hidden within this prophetic overview is a picture of the war between the saints and Satan for the souls of others We see this in Matthew 24 7a when Jesus says For nation shall rise against nation and kingdom against kingdom While this verse clearly refers to the unprecedented upheaval of racial prejudice and extreme nationalism Jesus is saying something more here Nation rising against nation refers to ethnicities or races but kingdoms refer to governments and countries I believe that Jesus not only reveals that the natural kingdoms of this world would rise against one another but also that the kingdom of God and the kingdom of darkness will also rise against each other in unprecedented warfare *Advancing on the Kingdom of Darkness with Power* is a spiritual warfare manual written specifically for these end times In this book we will discover how to truly dismantle Satan and his demonic hierarchy through divinely inspired systematic strategies It is an exhortation for the Christian soldier to take up spiritual arms against the prevailing spiritual darkness that is permeating society It aids the soldier in this endeavor by preparing them for end time spiritual warfare teaching them how to engage the enemy through Spirit led wisdom and ultimately how to find victory for themselves and others In these tumultuous times we live in *Advancing on the Kingdom of Darkness with Power* is a weapon that every Christian soldier should possess in their arsenal
