## **The Death Star Affair:**

Spies, Lies, and Allies: A Love Story Lisa Brown Roberts, 2018-05-01 Summers are supposed to be fun right Not mine I've got a job at my dad's company which is sponsoring a college scholarship competition I just found out that in addition to my job assisting the competing interns I'm supposed to vote for the winner Totally not what I signed up for My boss is running the competition like it's an episode of Survivor Then there's Carlos who is well very distracting in a good way But I can't even think about him like that because fraternizing on the job means instant disqualification for the intern involved As if that's not enough an anonymous informant with insider intel is trying to sabotage my dad's company on social media and I'm afraid it's working Much as I'd love to quit I can't Kristoff's Never Quit is our family motto I just hope there's more than one survivor by the end of this summer

*The Apostle of Love from Londonistan* Lee Huxley, 2024-03-24 The Apostle of Love tells the imaginary story of a long distance relationship between two people as it grows falters at times and finally ends in marriage This relationship unravels within the context of a world where love is being starved of oxygen by the political and religious delusions of a humanity that refuses to recognize the existential need for change The Apostle of Love believes he can save the world calls for a new pagan spiritual consciousness that will equip us and inspire us to avoid Armageddon

*Prewriting Your Screenplay* Michael Tabb, 2018-07-16 Prewriting Your Screenplay cements all the bricks of a story's

foundations together and forms a single organic story growing technique starting with a blank slate It shows writers how to design each element so that they perfectly interlock together like pieces of a puzzle creating a stronger story foundation that does not leave gaps and holes for readers to find This construction process is performed one piece at a time one character at a time building and incorporating each element into the whole The book provides a clear cut set of lessons that teaches how to construct that story base around concepts as individual as the writer s personal opinions helping to foster an individual writer s voice It also features end of chapter exercises that offer step by step guidance in applying each lesson providing screenwriters with a concrete approach to building a strong foundation for a screenplay This is the quintessential book for all writers taking their first steps towards developing a screenplay from nothing getting them over that first monumental hump resulting in a well formulated story concept that is cohesive and professional      **Law of the Lion** Nick Carter,1989
