**The Ironmonger**, 1896 **The Painted Table** Suzanne Field, 2013-12-10 The Norwegian table a century old heirloom ingrained with family memory has become a totem of a life Saffee would rather forget a childhood disrupted by her mother's mental illness Saffee does not want the table By the time she inherits the object of her mother's obsession the surface is thick with haphazard layers of paint and heavy with unsettling memories After a childhood spent watching her mother slide steadily into insanity painting and re painting the ancient table Saffee has come to fear that seeds of psychosis may lie dormant within her She must confront her mother's torment if she wants to defend herself against it Traversing four generations over the course of a century The Painted Table is a beautiful portrait of inherited memory It is a sprawling narrative affirmation that a family artifact like a family member can bear the marks of one's past as well as intimations of one's redemption This difficult but beautiful story of hurt and healing desperation and hope offers an intriguing view inside the world of the mentally ill and their loved ones Publishers Weekly Describes a descent into darkness and a redemptive ascent into light The Painted Table is a deeply moving experience Melvin W Hanna PhD author of *Mood Food Nourishing Your God Given Emotions* Compelling The Painted Table points readers toward redemption the kind that removes all the layers of anesthetic we use to try and fail to numb our pain and replaces them with beauty that can come only through grief and surrender ChristianityToday.com
