**Book Review Digest** ,2003    **El Palacio** ,1977    **The Diary of Delores D'Lump** Claire N. Laishley,2011 Claire Laishley wasn't particularly concerned when she found a lump in her breast She'd had two others removed over the years both benign and at the time the doctor had intimated there would probably be more But this time things would be different The Diary of Delores D Lump covers the twelve month period from the day breast cancer was diagnosed It is a powerful story that takes the reader on an emotional journey through the harsh treatment regime which in Claire's case leads to unexpected and life threatening side effects But although the subject matter is serious this story also captures the author's sense of humour and indomitable spirit Like her previous book My Mother is my Daughter which told the story of how dementia in her mother changed the dynamic of their relationship the author manages to inject humour into what many would feel was yet another humourless subject Along with the humour there is a blunt honesty in her writing she is not afraid to detail her emotional lows and many will relate to her story    The New Yorker Harold Wallace Ross,William Shawn,Tina Brown,David Remnick,Katharine Sergeant Angell White,Rea Irvin,Roger Angell,1995    **Children's Literature** Masha Kabakow Rudman,1993    *Popular Series Fiction for K-6 Readers* Rebecca L. Thomas,Catherine Barr,2004 Because of their popularity books in series are great vehicles for fostering literacy among all types of readers who are almost always adamant about reading every title in the series in series order Yet traditional information sources on children's and YA literature include very little about series fiction so librarians often have difficulty managing this literature This guide will be a rich resource and time saver for librarians who work with children It introduces users to the best and most popular fiction series of today covering more than 1 000 series with over 10 000 titles appropriate for elementary readers Annotations also indicate series and titles accepted by some of the popular electronic reading programs e.g Accelerated Reading Reading First A numbered list of titles in the series follows    **Sonoma State Historic Park Preliminary General Plan** California.
