Home Is Where the Heart Is Donna Marie Rogers, 2011-06-29 A hometown series full of sexy romance humor and heart Drew Porter learned early in life how treacherous women can be And when snooty Lindy Spalding skids into his life and nearly makes roadkill out of his dog she seems worse than most But an unlikely bond between their pets gives him an intriguing glimpse behind her pretentious exterior While his heart wonders if there s more to her than meets the eye his head tells him to run as fast as he can in the opposite direction Used to the finer things in life west coast heiress Melinda Spalding is thrown for quite a loop when her brother Matt suddenly relocates to the Midwest Her parents even expand their business to the small town and put her in charge of the project Discovering she likes Mayberry and its quirky inhabitants is almost as shocking as her growing attraction to the local auto mechanic But L A is

where she belongs or is home truly where the heart is EXCERPT Drew s footsteps echoed up the stairs at a rapid rate He strode into the room carrying her lamp looked around then walked over to the south facing window and set it on the sill All done Hot Stuff Enjoy your soak Come on Matt let s go See you tomorrow Sis Matt gave her a kiss on the cheek Feeling impish Lindy asked Drew Can I give you a tip this time He held her gaze for several heartbeats and Lindy suddenly wished she hadn t poked the proverbial tiger Matt would you give us a minute please Lindy s heart tripped when Matt shrugged He gave Drew a thump on the back tossed her a smile and whistled his way downstairs Lindy bit the inside of her cheek as she lifted her gaze to meet Drew s I was only kidding geez I mean Quick as a whip Drew hauled her against the solid expanse of his chest and slanted his mouth across hers with near punishing force Stunned Lindy simply settled her hands against his chest Then her senses returned and she shoved with all her might He broke off the kiss with a muttered curse but didn t let her go Lindy s pulse kicked into overdrive as she looked up and met his gaze Hypnotic blue eyes stared down at her holding her gaze captive as if by physical force Deft hands traveled a scorching path from the curve of her shoulders to the flare of her hips leaving every inch of her body tingling in their wake The need to feel his lips on hers again to taste him nearly overwhelmed her A real kiss though not in anger not as punishment Before she lost her nerve Lindy twined her arms around his neck and pulled him down for the real thing With a deep growl Drew crushed her in his arms He coaxed her mouth open as his tongue slid inside with skillful ease exploring seeking hers Shivering under his touch Lindy grew dizzy with yearning Her heart thumped as his spicy masculine scent wrapped her in sensual bliss The man was certainly no slouch in the toe curling kiss department As quick as it started he broke the kiss and tore free from her embrace surprising her off balance He grabbed her upper arms to steady her stared at her lips as if he wanted to kiss her again cursed and strode out the door She flinched as the bedroom door slammed behind him What the hell

Ditched Again Stacey Joy Netzel, 2011-07-24 Summer Clark Yes I m excited for my ten year class reunion I flew all the way from Florida to Wisconsin so I could rub my success in Josh Nelson s face I know it sounds vindictive but the jerk ditched me at the Snowball dance left me to find my own ride home and never apologized He s got it coming if I can get a tow truck to come out in this freak May snowstorm and pull my rental car out of the ditch Josh Nelson No I m not looking forward to the reunion Just hearing the name Summer Clark brings back memories of a night I buried long ago and never talked about again Seeing her means skirting the truth while trying to deliver a way too late apology No with this storm I think I ll head home as soon as I help this car sunk in the ditch Clearly there are two sides to every story

Never Let Me Go Donna Marie Rogers, 2013-01-13 A hometown series full of sexy romance humor and heart Sheriff Chase Lowell has never been more terrified than when he discovers the diner where Hannah Porter works has been robbed at gunpoint He s been in love with her for as long as he can remember but has kept his feelings in check because she s his best friend s little sister Hannah has had a crush on Chase since she was in the third grade He s kind compassionate and as handsome as they come They ve known each other forever which seems to be the

problem he thinks of her more as a kid sister rather than a romantic interest. But something changes the night he races into the diner and crushes her in his arms. When he makes her safety his personal mission, Hannah decides to make it her mission to get him to see her in a different light. EXCERPT A myriad of expressions crossed her face as she seemed to wage some inner war with herself. She nibbled her bottom lips as her gaze moved back and forth between his eyes and his lips. Suddenly she hiked a leg over his lap and straddled him, effectively stealing his breath. Sheriff, are you going shy on me? Stunned, Chase's hands settled uncertainly at her waist as he met her smiling gaze. Dimples, are you flirting with me? he countered. Maybe I am, she teased, her voice dropping to a throaty whisper. Ah, hell! His hands tightened slightly on her hips as his pulse kicked into warp speed. His gaze dropped to her mouth, that luscious mouth as she leaned in and softly brushed her lips against his once, then again with just a bit more pressure. Chase's eyes drifted shut as a low moan escaped him. She pulled back a few inches and whispered, You okay? the humor in her voice unmistakable. Hannah, y, you don't understand. What don't I understand? Her warm breath feathered across his cheek. Christ, fool, just say it. The only woman you've ever felt anything for is wrapped around you like a pretzel, yours for the taking and all you can do is stutter like an idiot. I want you, he finally admitted. Then quickly added, But I don't know if this is such a good idea. She pulled back and stared at him in confusion. Why not? I want you. You just admitted you want me too. We're both adults. What exactly is the problem? Christ, Dimples, I've known you since you were a baby. And I've known you since you were a bed wetter, she countered, laughter in her tone. What does that have to do with anything? I mean, unless you still do in which case I'll need to put a mattress cover on my bed. Chase gave the beautiful witch a swat on the ass. She yelped playfully and wiggled in his lap. I never wet the bed, he insisted, though his face did grow warm over the lie. Please, Drew and Charlie teased you about it for years. The only reason they stopped is you kicked both their asses and threatened to feed them each a worm if they ever mentioned it again. Damn, you have a good memory. Yep. And I have a few other good qualities as well. She leaned in next to his ear and whispered, Which I'd be happy to show you if you'd loosen up a bit.

If Tombstones Could Talk Stacey Joy Netzel, 2011-10-22

Had someone asked Melanie Sparks if she believed in ghosts, she'd have laughed before voicing an emphatic No. Then she takes a walking tour of the cemetery in her new hometown of Lindeman's Crossing, Colorado, and meets one of the residents face to face. The story behind Andrew Lindeman's tragic death after the Pike's Peak Gold Rush in 1859 triggers dreams in which she relives his last moments. Drawn to the handsome ghost, attraction builds and she resolves to clear his tarnished name. A passionate kiss sets his spirit free, but will Melanie lose her heart forever? Excerpt: She started with the trail next to the river behind her cottage. The walk along the South Platte River settled her nerves until she realized it'd looped through the park and led her back to the cemetery. Her feet rooted to the spot outside the gate as she stared intently at that one specific shaded grave site. Everything looked normal. No shadow figures. No shimmering air. No voices in her head. Most likely her subconscious had been playing with her yesterday. Her imagination had been in overdrive after all the wonderful history she'd learned. Still, hesitant, Melanie

entered the deserted grounds and followed the path John had led the senior group along the day before Every so often she snuck a glance toward the black granite until at the end she once again stood in front of the stone Deep breath Let it out slow Everything s fine Squatting down she reached to touch the old worn stone sunk in the earth Cold As it should be Her gaze rose to the other one looming in front of her Nervous anticipation mixed with dread raising goose bumps on her arms like yesterday Much as she didn t want to touch its smooth surface she had to make sure Her hand trembled slightly as she extended her arm Cool Relief tingled through her entire body With one finger she traced the A in Andrew then flattened her palm over the name In a single instant the granite warmed almost to the point of burning her flesh She yanked her hand back with a gasp then nearly jumped out of her skin when a male figure materialized out of thin air right before her eyes Dark glittering eyes locked on her A scream froze in her throat and she found she couldn t breathe If she stayed still would it go away Her lungs burned She needed oxygen or she d faint Rising slowly she drew in a deep breath of air then concentrated on repeating the process until her legs steadied All the while her mind registered details The man of her dreams Tall Dark wavy hair worn long enough to hang over his forehead and brush the collar of his black shirt Eyes that at first glance appeared black but now she saw were a sexy slate gray His thick eyebrows shadowed them making them seem darker A hint of a five o clock shadow lent a sinister air yet she wasn t truly afraid of him You can see me The husky accusation washed over her
