important field within translation studies Community Translation addresses the specific context characteristics and needs of translation in and for communities Traditional classifications in the fields of discourse and genre are of limited use to the field of translation studies as they overlook the social functions of translation Instead this book argues for a classification that cuts across traditional lines based on the social dimensions of translation and the relationships between text producers and audiences Community Translation discusses the different types of texts produced by public authorities services and individuals for communities that need to be translated into minority languages and the socio cultural issues that surround them In this way this book demonstrates the vital role that community translation plays in ensuring communication with all citizens and in the empowerment of minority language speakers by giving them access to information enabling them to participate fully in society *India's Approach to Border Management* Pushpita Das, 2022-12-29 This book attempts to

provide a comprehensive understanding of the circumstances which have shaped India s approach towards its international borders and the framework it has developed to better manage its borders The book argues that persistence of various cross border threats and challenges and an absence of robust intra regional trade among its neighbouring countries forced India to employ a security centric and unilateral approach to border management with emphasis on hardening the borders to cross border trade and travel and keeping the border areas underdeveloped to act as a buffer against external conventional threats Besides discussing the threats and challenges that India faces along the borders the book aims to develop an understanding of India s border management practices by analysing various programmes and initiatives such as the raising of border guarding forces building of physical and electronic fences the establishment of modern facilities for smoothing legitimate cross border travel the development of the border areas through special programmes and increasing trade and connectivity as well as other cooperative bilateral mechanisms Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan **Creative Capital** Spencer E. Ante, 2008-04-08 Venture capitalists are the handmaidens of innovation Operating in the background they provide the fuel needed to get fledgling companies off the ground and the

advice and guidance that helps growing companies survive their adolescence In Creative Capital Spencer Ante tells the compelling story of the enigmatic and quirky man Georges Doriot who created the venture capital industry The author traces the pivotal events in Doriot's life including his experience as a decorated brigadier general during World War II as a maverick professor at Harvard Business School and as the architect and founder of the first venture capital firm American Research and Development It artfully chronicles Doriot's business philosophy and his stewardship in startups such as the important role he played in the formation of Digital Equipment Corporation and many other new companies that later grew to be influential and successful An award winning Business Week journalist Ante gives us a rare look at a man who overturned conventional wisdom by proving that there is big money to be made by investing in small and risky businesses This vivid portrait of Georges Doriot reveals the rewards that come from relentlessly pursuing what if possibilities and offers valuable lessons for business managers and investors alike

Retirement in Japan and South Korea Masa Higo,Thomas R.

Klassen,2015-04-10 This book analyses reforms to retirement policies in Japan and South Korea especially in the context of rapid population ageing A defining feature of the labour markets and workplaces in these two nations and the lives of workers and families is involuntary retirement at relatively young ages The book explains past developments and recent reforms of retirement policies both in the two countries as well as in a cross national comparative manner At the core of the book is an examination of the social economic and political conflicts around retirement such as between younger and older workers between employers and governments and between employers and workers The policy recommendations offered apply not only to Japan and South Korea but also to other nations such as China The volume is of value particularly for those interested in labour markets and workplaces population ageing and contemporary East Asia in addition to those studying retirement and pensions Policymakers business leaders worker organizations researchers and students will benefit from the insights about the past present and future of retirement
