Renshaw,2019-06-23 I was sixteen when I vowed I would never marry him We shook on it Pinky swore Even put it in writing and all but signed our names in blood It was the one and only thing we ever agreed on To the world he's Prince Ian Duke of Montcroix second in line to the Chamont throne Panty melting accent Royal charm Hypnotic presence Blindingly gorgeous Laundry list of women all over the world who would give their first born for the chance to marry him Most eligible bachelor in the free world But to me he's nothing more than the son of my father's best friend the pesky blue eyed boy who made it his mission to annoy the ever loving hell out of me summer after summer as our families vacationed together our parents oblivious to our mutual disdain as they joked about our betrothal He was also my first kiss And my first taste of heartbreak so cataclysmic it almost broke me I meant it with every fiber of my soul when I swore I'd never marry him But on the eve of my 24th birthday His Royal Highness has the audacity to show up at my door after years of silence and make a demand that will forever change the trajectory of our lives We have to break our pact **Mastering Marriage the Marriage Pact**

Zara Rousseau, 2025-09-18 The Marriage Pact. She needed a job. He needed control. Neither expected a contract would change everything. Isis is strong, determined and desperate for a fresh start. When she walks into São Paulo's most powerful textile empire to apply for a secretary position, she doesn't expect to face Apollo, the arrogant, demanding and sinfully handsome CEO who rules his business with an iron fist. Apollo never planned on hiring someone like Isis, inexperienced, outspoken and far too tempting for his carefully ordered world. But against his better judgment, he gives her the job and suddenly his life is turned upside down. Their daily battles are chaos, their chemistry undeniable. When a scandalous misunderstanding threatens both their futures, Apollo offers Isis a shocking solution: a marriage contract. For him, it's a way to control the situation. For her, it's the only chance to save her home. But what starts as a lie soon becomes dangerously real. Desire blurs the lines, secrets ignite and every glance, every touch, pulls them deeper into a passion neither of them expected. Is this marriage pact the biggest mistake of their lives or the beginning of something that was meant to be? **The Changing Nature of The Marriage Contract**

Dr. Geraldine Sgarp, 2017-10-01 In Western liberal democracies, changes in the nature of the marriage contract are emerging. With the increasing demand for a partnership of equals with shared responsibilities, the traditional marriage contract is being replaced by a more democratic marriage contract. The marriage contract is changing from one of

unequal power relations in which men hold power over women to one of equal power relations with an equal distribution of power The changing nature of interpersonal relations is resulting in a significant shift of power in marriage and in the family These changes involve a shift of power which is not without repercussions The Marriage Pact LAURA.
