Imdeduya Gunter Senft, 2017-07-12 This volume presents five variants of the Imdeduya myth two versions of the actual myth a short story a song and John Kasaipwalova s English poem Sail the Midnight Sun This poem draws heavily on the Trobriand myth which introduces the protagonists Imdeduya and Yolina and reports on Yolina s intention to marry the girl so famous for her beauty on his long journey to Imdeduya s village and on their tragic love story The texts are compared with each other with a final focus on the clash between orality and scripturality Contrary to Kasaipwalova s fixed poetic text the oral Imdeduya versions reveal the variability characteristic for oral tradition This variability opens up questions about traditional stability and destabilization of oral literature especially questions about the changing role of myth and magic in the Trobriand Islanders society which gets more and more integrated into the by now literal nation of Papua New Guinea

The Presidency of Benjamin Harrison Homer Edward Socolofsky,Allan B. Spetter,1987 Benjamin Harrison was an early proponent of American expansion in the Pacific a key figure in such landmark legislation as the Sherman Anti Trust Act and the McKinley Tariff and one of the Gilded Age's most eloquent speakers Yet he remains one of our most neglected and least understood presidents In this first interpretive study of the Harrison administration the authors illuminate our twenty third president's character and policies and rescue him from the long shadow of his charismatic secretary of state James G Blaine An Ohio native and Indiana lawyer Harrison opened the second century of the American presidency in a rapidly industrializing and expanding nation His inaugural address reflected the nation's optimism The masses of our people are better fed clothed and housed than their fathers were The facilities for popular education have been vastly enlarged and more generally diffused The virtues of courage and patriotism have given proof of their continued presence and increasing power in the hearts and over the lives of our people But the burdens and realities of his office soon imposed themselves upon Harrison The biggest blow came at midterm with the Republicans devastating losses in the 1890 congressional elections In an era of congressional dominance those losses eroded Harrison's position as a legislative advocate at least for domestic issues His impact in foreign affairs was more lasting One of the highlights of this study is its revealing look at Harrison's visionary foreign policy especially toward the Pacific Socolofsky and Spetter convincingly demonstrate that although Harrison's ambition to acquire the Hawaiian Islands was not realized during his presidency his foreign policy was a major
