Scott,William M. Womack,1994 On April 12 1945 the United States Army Air Force arrested 101 of its African American
officers They were charged with disobeying a direct order from a superior officer a charge that could carry the death penalty
upon conviction They were accused of refusing to sign an order that would have placed them in segregated housing and
recreational facilities Their plight was virtually ignored by the press at the time and books written about the subject did not
detail the struggle these aviators underwent to win recognition of their civil rights The central theme of Double V is the
promise held out to African American military personnel that service in World War II would deliver to them a double victory a
double V over tyranny abroad and racial prejudice at home The book s authors Lawrence P Scott and William M Womack Sr
chronicle for the first time in detail one of America s most dramatic failures to deliver on that promise In the course of their
narrative the authors demonstrate how the Tuskegee airmen suffered as second class citizens while risking their lives to
serve their country Among the contributions made by this work is a detailed examination of how 101 Tuskegee airmen by
refusing to live in segregated quarters triggered one of the most significant judicial proceedings in U S military history
Double V uses oral accounts and heretofore unused government documents to portray this little known struggle by one of
America s most celebrated flying units In addition to providing background material about African American aviators before
World War II the authors also demonstrate how the Tuskegee airmen s struggle foretold dilemmas faced by the civil rights
movement in the second half of the 20th century Double V is destined to become an important contribution in the rapidly
growing body of civil rights literature **Subject Catalog** Library of Congress,1960 **Library of Congress Catalog**
