Raise The Dead:

How to Raise the Dead Tyler Johnson, 2011-08-18 In this compendium on the topic of resurrection the founder of the Dead Raising Team unveils the reality of what was accomplished on the cross and how you can partake in its power How to be one that raises dead bodies to life The commonality of dead raising in history How your righteousness isn't determined by what you do How miracles can become common in your life The extent to which Jesus is obsessively in love with you How good God really is How God didn't kill Ananias and Sapphira How to get a passion for Jesus How To Overcome Debt *Faith to Raise the Dead* Michael C. King, 2017-04-09 When Jesus walked the earth he taught his disciples many things but he only commanded them to do a few Heal the sick raise the dead cleanse the lepers cast out demons Matthew 10:8a Raising the dead is a pivotal part of Christianity without resurrection it wouldn't exist The Bible says in 1 Corinthians 15:20 that But in fact Christ has been raised from the dead He is the first of a great harvest of all who have died New Living Translation This book answers the challenge to those commands and to raise up an army of believers followers of Jesus who are ready to reap the great harvest of all who have died Through scripture it lays a groundwork of understanding for this miracle then follow up with practical steps and hard earned wisdom God doesn't need someone special to raise the dead He needs someone willing And if this is you then join the journey to reveal Faith to Raise the Dead In this book we will cover The Goodness of God Power and Authority Faith and Sovereignty Historical and Present Day Resurrections When to Stop Praying The Price of Failure When Prophecies Fail Us Intimacy versus Occult Resurrection Common Questions And Much More **The Christian Science Journal**, 1896 [Spiritualism on Trial](#) Frederick William Evans, 1875 **The Methodist Quarterly Review**, 1872 *The Antichrist Legend* Wilhelm Bousset, 1896 Wilhelm Bousset 1865-1920 was one of the pioneers in the Religionsgeschichtliche Schule or History of Religions School which established the scientific and comparative study of Hellenistic Judaism and Early Christianity a century ago The Antichrist Legend first published in German in 1895 and translated into English the following year is perhaps Bousset's most remarkable book both for its original argument about the connection of Antichrist to myths of the primordial dragon and for its vast knowledge of patristic and medieval literature This welcome reissue of this classic work features a helpful new Introduction by David Frankfurter **A Select Library of Nicene and Post-Nicene Fathers of the Christian Church** Philip Schaff, Henry Wace, 1894 [The Catechism Explained](#) Francis Spirago, 1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man's high calling and destiny it is especially suited to the present day when the pursuit of material interests self-indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord's teaching and may be
