The Frontiersmen

Jeptha Root Simms

The Frontiersmen:

The Frontiersmen Allen W. Eckert, 2011 The frontiersmen were a remarkable breed of men They were often rough and illiterate sometimes brutal and vicious often seeking an escape in the wilderness of mid America from crimes committed back east In the beautiful but deadly country which would one day come to be known as West Virginia Kentucky Michigan Ohio Indiana and Illinois more often than not they left their bones to bleach beside forest paths or on the banks of the Ohio River victims of Indians who claimed the vast virgin territory and strove to turn back the growing tide of whites These frontiersmen are the subjects of Allan W Eckert s dramatic history Against the background of such names as George Rogers Clark Daniel Boone Arthur St Clair Anthony Wayne Simon Girty and William Henry Harrison Eckert has recreated the life of one of America s most outstanding heroes Simon Kenton Kenton s role in opening the Northwest Territory to settlement more than rivaled that of his friend Daniel Boone By his eighteenth birthday Kenton had already won frontier renown as woodsman fighter and scout His incredible physical strength and endurance his great dignity and innate kindness made him the ideal prototype of the frontier hero Yet there is another story to The Frontiersmen It is equally the story of one of history s greatest leaders whose misfortune was to be born to a doomed cause and a dying race Tecumseh the brilliant Shawnee chief welded together by the sheer force of his intellect and charisma an incredible Indian confederacy that came desperately close to breaking the thrust of the white man s westward expansion Like Kenton Tecumseh was the paragon of his people s virtues and the story of his life in Allan Eckert s hands reveals most profoundly the grandeur and the tragedy of the American Indian No less importantly The Frontiersmen is the story of wilderness America itself its penetration and settlement and it is Eckert s particular grace to be able to evoke life and meaning from the raw facts of this story In The Frontiersmen not only do we care about our long forgotten fathers we live again with them *The Frontiersmen of New York* Jephtha Root Simms, 1883

Outrider of Empire Geoffrey A. Pocock, 2007 A dreamer of dreams an adventurer and a man of many ideas Roger Pocock was an inveterate world ranging traveler who lived the life that all adventurous boys desire He listened with wonder to the stories of all those he met be they outlaws like Butch Cassidy ranchers or mounted police Readers of all ages and classes eagerly devoured Pocock s western tales Outrider of Empire is a testament to a prolific author and extraordinary man whose friends and acquaintances bridged the worlds of theatre literature the military and science Foreword by Merrill Distad

Famous Frontiersmen and Heroes of the Border Charles Haven Ladd Johnston, 1913 **Western Frontiersmen Series**, 1937 **God's Frontiersmen** Rory Fitzpatrick, 1989 The Ulster Scots came to the north of Ireland in the 17th century and today constitute the dominant strain among Ulster Protestants They brought with them their Calvinist beliefs a stern work ethic and a fiercely independent spirit Religious discrimination led thousands of them to cross the Atlantic where many became famous names in American history including Davy Crockett Kit Carson Stonewall Jackson Ulysses S Grant the Gettys and Mellons *Pilgrims, Colonists, and Frontiersmen* Alex Simirenko, 1961 *American Frontiersmen on Film and*

Television Ed Andreychuk, 2005 From the French and Indian War to the Civil War well over a hundred years of American history is reflected through the lives of six bold and famous men Daniel Boone Davy Crockett Jim Bowie Sam Houston Jim Bridger and Kit Carson Here is a book that details their lives their legends and the many films and television shows their stories inspired A biography of each frontiersman is followed by a detailed examination of films and television shows featuring that man as a character Discussion of films includes cast and credit listings synopses and notes on the production including comments on accuracy and interpretation Television coverage includes listings of episode titles and discussion of each series history The book is illustrated with both film stills and contemporary drawings and paintings of the frontiersmen An appendix of documentaries and a bibliography are included **The New Frontiersmen** ,1961 **The lure of violence** Alessandro Saluppo, 2025-11-11 This book provides a comprehensive examination of conservative and right wing responses to the Edwardian crisis in Britain 1901-1914 It stresses how the upsurge of right wing extremism within and outside the Conservative party was accompanied by the crystallization of a culture of violence The preparation instigation or threatening of violent acts against all those who appeared to threaten the organic nature and vigour of the national community found expression in a myriad of ultra nationalist organisations citizen policing groups private military associations and paramilitary formations The book innovatively reconstructs the belief system and the practices of those right wing actors which pursued the goals of military preparedness racial regeneration and imperial unity while defending the amorphous goals of authority order and national efficiency against the forces of radicalism and socialism The book helps to cast light on the bellicose and authoritarian reflexes that traversed British conservatism in the turbulent prewar years **"The" Winning of the West** Theodore Roosevelt, 1896 The History of Winchester Firearms 1866-1992 Thomas Henshaw, 1993 Photographs and text present the history of the Winchester firearm including their rifles shotguns and revolvers beginning in 1866 to 1992

Looking Beyond Borderlines Lee Rodney, 2016-12-19 American territorial borders have undergone significant and unparalleled changes in the last decade They serve as a powerful and emotionally charged locus for American national identity that correlates with the historical idea of the frontier But the concept of the frontier so central to American identity throughout modern history has all but disappeared in contemporary representation while the border has served to uncomfortably fill the void left in the spatial imagination of American culture This book focuses on the shifting relationship between borders and frontiers in North America specifically the ways in which they have been imaged and imagined since their formation in the 19th century and how tropes of visibility are central to their production and meaning Rodney links ongoing discussions in political geography and visual culture in new ways to demonstrate how contemporary American borders exhibit security as a display strategy that is resisted and undermined through a variety of cultural practices

"Uncle Dick" Wootton, the Pioneer Frontiersman of the Rocky Mountain Region Dick Wootton, Howard Louis Conard, 1890
Harper's New Monthly Magazine ,1895 **Requiem** Forrest McDonald, Ellen Shapiro McDonald, 1988 Stealing

Margaret Verble,2023-02-07 This powerful novel should join classics like Ernest J Gaines s *The Autobiography of Miss Jane Pittman* Helena Maria Viramontes s *Under the Feet of Jesus* and Harper Lee s *To Kill a Mockingbird* New York Times Book Review A gripping gut punch of a novel about a Cherokee child removed from her family and sent to a Christian boarding school in the 1950s an ambitious eye opening reckoning of history and small town prejudices from Pulitzer Prize finalist Margaret Verble Kit Crockett lives on a farm with her grief stricken widowed father tending the garden fishing in a local stream and reading Nancy Drew mysteries from the library bookmobile One day Kit discovers a mysterious and beautiful woman has moved in just down the road Kit and the newcomer Bella become friends and the lonely Kit draws comfort from her But when a malicious neighbor finds out Kit suddenly finds herself at the center of a tragic fatal crime and becomes a ward of the court Her Cherokee family wants to raise her but the righteous Christians in town instead send her to a religious boarding school Kit s heritage is attacked and she s subjected to religious indoctrination and other forms of abuse But Kit secretly keeps a journal recounting what she remembers and revealing just what she has forgotten Over the course of *Stealing* she unravels the truth of how she ended up at the school and plots a way out If only she can make her plan work in time In swift sharp and stunning prose Margaret Verble spins a powerful coming of age tale and reaffirms her place as an indelible storyteller and chronicler of history

The Winning of the West Theodore Roosevelt,1905 **The Winning of the West: Louisiana and the Northwest, 1791-1807** Theodore Roosevelt,1896 *Towards the Sociology of Knowledge (RLE Social Theory)* Gunter Werner Remmling,2022-03-23 The sociology of knowledge is an area of social scientific investigation with major emphasis on the relations between social life and intellectual activity It is now an area central to most graduate and undergraduate courses in sociology The present collection of readings explains the origins systematic development present state and possible future direction of the discipline The major statements in the field were developed early in the twentieth century by Durkheim Scheler and Mannheim but the sociology of knowledge continues to engage the theoretical and empirical interests of contemporary sociologists who desire to penetrate the surface level of social existence This book with its carefully selected contributions and an introduction which relates the selections to the developmental pattern of the discipline provides guidance and insight for the reader concerned with the topical issues raised by sociologists of knowledge

The Enigmatic Realm of **The Frontiersmen**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **The Frontiersmen** a literary masterpiece penned with a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of people who partake in its reading experience.
