*Appearances Matter* Tim Allender,Inés Dussel,Ian Grosvenor,Karin Priem,2021-09-07 The visual turn recovers new pasts With education as its theme this book seeks to present a body of reflections that questions a certain historicism and renovates historiographical debate about how to conceptualize and use images and artifacts in educational history in the process presenting new themes and methods for researchers Images are interrogated as part of regimes of the visible of a history of visual technologies and visual practices Considering the socio material quality of the image the analysis moves away from the use of images as mere illustrations of written arguments and takes seriously the question of the life and death of artifacts that is their particular historicity Questioning the visual and material evidence in this way means considering how when and in which regime of the visible it has come to be considered as a source and what this means for the questions contemporary researchers might ask

**Capitán Latinoamérica** Vinodh Venkatesh,2020-10-01 Capitán Latinoamérica is the first study to examine the unique

contribution of Latin American cinema television and web series to the global superhero boom Through an analysis of superhero themed media from Mexico to Argentina Vinodh Venkatesh argues that contemporary Latin American superheroes are a hybrid of regional tropes and figures such as the famed luchador El Chapulín Colorado and North American blockbuster characters from the DC and Marvel universes These superheroes channel anxieties specific to their respective national contexts In Chile for example Mirageman rehashes and works through the Pinochet dictatorship and its traumatic aftermath in Honduras Chinche Man confronts neoliberalism and gang violence In Colombia's El Man in turn rapid urbanization and drug cartels are the central concerns whereas corruption and the political machinations of the state feature most prominently in the television and web series Capitán Centroamérica While the Latin American superhero genre may be superficially characterized by low budgets and kitsch aesthetics it also poses profound challenges to the social political and economic status quo Covering a wide variety of media bookended by wrestling films from the early 1960s and multimedia productions from the 2010s Capitán Latinoamérica offers a comprehensive introduction to and assessment of the state of the superhero in Latin America
