## Supreme Folly:

Nihilism and Destiny Emanuele Severino, 2016-02-10T00:00:00+01:00 Two souls live within us one is nihilism and the other is destiny In this collection of essays Emanuele Severino one of the most important thinkers of contemporary times illuminates the meaning of these words and engages with the most profound questions of philosophy as well as the most essential matters for each one of us This volume is precious not only because of its content but also because it offers an international audience a preview into one of the most original philosophers of all time this is in fact the first volume by Severino to be translated into English By affirming the eternal nature inherent to each thing he has opened up a path previously unknown to philosophy
