Bayes,2024-09-13 A Tidy Faith is distinctive as a work of systematic theology in that it comes out of a Reformed Baptist stable this is especially relevant for the sections on the church worship and the sacraments Bayes seeks to lay the biblical foundation for each doctrinal subject using an exegetical approach rather than merely citing prooftexts For each doctrine he also outlines the teaching of the early Christian creeds and the confessions of faith dating from the Reformation period as well as referring to a small selection of modern statements of faith from different countries Debates and interpretations of the various doctrines from different points in church history are summarized and at the end of the exposition of every doctrinal theme there is a section that emphasizes its practical application This ensures that the book is not merely abstract and academic but has real down to earth value for Christian life and ministry **The Ante-Nicene Fathers** Alexander Roberts,2007-05-01 One of the first great events in Christian history was the Council of Nicaea in 325 AD convened to organize Christian sects and beliefs into a unified doctrine The great Christian clergymen who wrote before this famous event are referred to as the Ante Nicenes and the Apostolic Fathers and their writings are collected here in a ten volume set The Ante Nicenes lived so close to the time of Christ that their interpretations of the New Testament are

considered more authentic than modern voices But they are also real and flawed men who are more like their fellow Christians than they are like the Apostles making their words echo in the ears of spiritual seekers In Volume I of the 10 volume collected works of the Ante Nicenes first published between 1885 and 1896 readers will find the writings of Clement of Rome the fourth pope who was supposedly martyred by being tied to an anchor and tossed overboard Mathetes an anonymous writer considered the first Christian apologist Polycarp a Christian bishop who was stabbed to death after he failed to burn at the stake Ignatius a student of John the Apostle who was Bishop of Antioch before he was killed Barnabas an anonymous writer given the name of Saint Barnabas Papias author of Interpretations of the Sayings of the Lord a textbook on quotes from Jesus Justin Martyr a Christian apologist and accomplished philosopher and Irenaeus disciple of Polycarp apologist and bishop of Lugdunum **International Dictionary and Cyclopædia ...** Robert Hunter,1901 *The Modern Eclectic Dictionary of the English Language* Robert Hunter,Charles Morris,1905 The Imperial Encyclopaedic Dictionary Robert Hunter,1901
