## **The Mad Frontier:**

*The Mad Frontier* William M.. Gaines,1962    **William M. Gaines's the Mad Frontier ,1975**    **Frontier Stories Cy**  
Warman,1898    **A Practitioner's Guide to Stochastic Frontier Analysis Using Stata** Subal C. Kumbhakar,Hung-Jen  
Wang,Alan P. Horncastle,2015-01-26 A Practitioner s Guide to Stochastic Frontier Analysis Using Stata provides practitioners  
in academia and industry with a step by step guide on how to conduct efficiency analysis using the stochastic frontier  
approach The authors explain in detail how to estimate production cost and profit efficiency and introduce the basic theory of  
each model in an accessible way using empirical examples that demonstrate the interpretation and application of models This  
book also provides computer code allowing users to apply the models in their own work and incorporates the most recent  
stochastic frontier models developed in academic literature Such recent developments include models of heteroscedasticity  
and exogenous determinants of inefficiency scaling models panel models with time varying inefficiency growth models and  
panel models that separate firm effects and persistent and transient inefficiency Immensely helpful to applied researchers  
this book bridges the chasm between theory and practice expanding the range of applications in which production frontier  
analysis may be implemented    **Imperial Frontier** Dr Hugh Beattie,Hugh Beattie,2013-12-16 Describes British relations  
with the Pashtun tribes of Waziristan in the years after the annexation of the Punjab in 1849 offering the most detailed  
historical account that has so far been written of relations between the British Government of India and the tribes along this  
or any part of the north west Frontier in this period    [The Risings on the North-west Frontier ,1898](#)    **Frontier ,1966**

*The Story of the Malakand Field Force: An Episode of Frontier War* Winston Churchill,2019-11-19 In The Story of the  
Malakand Field Force An Episode of Frontier War Winston Churchill intricately narrates the British military campaign  
against tribal insurgents in the North West Frontier of India during the late 19th century Written in a vivid and evocative  
prose style that blends personal observation with historical analysis Churchill s account serves not only as a tactical  
recounting of military action but also as a poignant exploration of the cultural dynamics between the British forces and the  
Pashtun tribes The literary context is steeped in the Victorian ethos of imperialism reflecting both the valor and the moral  
ambiguities inherent in colonial wars evoking the complexities of an empire grappling with its own identity and ethical stance  
in far off lands Winston Churchill a prominent statesman historian and future Prime Minister of the United Kingdom wrote  
this account after serving as an army officer in the Malakand campaign in 1897 His experiences on the front lines of this  
conflict not only shaped his views on warfare and strategy but also enriched his understanding of the geopolitical issues of  
British colonialism Churchill s formative early career drew from these profound experiences informing his later works on  
leadership and military ethics This book is a compelling read for scholars historians and general readers alike offering an  
invaluable perspective on colonial warfare and its implications Churchill s adept storytelling and keen insights make this  
work essential for anyone interested in military history colonial studies or Churchill s evolution as a leader and writer The
