The Oxtail Cocktail:

The Oxtail Cocktail Shirley Hicks, 1986 **The Square: Savoury** Philip Howard, 2017-10-12 There are some books we publish which from the outset you know are going to be special This was true of this exciting book from Philip Howard a collection of recipes from his restaurant The Square We knew we wouldn't be able to do the recipes justice in one volume so it became two a first volume Savoury followed by Sweet We knew we couldn't limit it to the conventional two pages per recipe and food photo so they each became either 4 or 6 pages We knew we couldn't illustrate anything less than every one of those recipes so one of the world's finest food photographers Jean Cazals did just that And yet these measures are only a small part of why this book is so special It is special because it represents a collection of recipes from 21 years of one of the country's finest and most consistently fine restaurants Special because the chef who has been at the helm of that restaurant for all of those years is recognised as one of the very best of his generation But most of all it is special because that chef has that rare ability to translate a genius in the restaurant kitchen into the words of a book This was evident from the day we received the first written recipe and with it Phil's fiercely intelligent vision for how the book and every recipe within it should be

structured It is also manifest in the dozen or so essays that weave throughout that show a profound consideration and passion for every aspect of his craft and industry This is a landmark publication and has become a must have book for every chef and for every serious foodie It can't fail to impress and inspire anyone with a desire for cooking and a thirst for food knowledge It is nothing less than an incredible achievement and a book of truly unbounded culinary ambition **Evita's Bossie Sikelela** Evita Bezuidenhout, 2012-12-13 Evita acclaimed chef and icon of the nation presents her recipes for delicious dishes gathered on travels in South Africa and around the world From the Cape to Limpopo the West Coast to our president's home province come divine platefuls guineafowl with prunes potroasted quail quince bredie and orange duck Pofadders oxtail and even sweet and sour warthog Evita reinvents old favourites and deliciously prepares veldkos who would have thought of waterblommetjie chicken or dandelion salad for the dinner table Each recipe has been tested and vetted and they're all ridiculously easy to make My liewe aarde just paging through the book is a mouth watering experience with all these pictures taken on her visits First there was Kossie Sikelela now there is Bossie A new culinary front hits your table
