THE **PERFECT** MATE

WELCOME TO THE FAMILY

The Perfect Mate

The Perfect Mate:

Sexual Generations Robin Roberts, 1999 Boldly going where no one has gone before Robin Roberts forges intriguing links between feminist politics and theory and the second Star Trek series Star Trek The Next Generation This lively discussion shows how science fiction's ability to make the familiar strange allows Star Trek to expose and comment on entrenched attitudes toward gender roles and feminist issues By having aliens or sexually neutral beings enact female dominance or passivity experience pregnancy or maternity or suffer rape or abortion Star Trek provides viewers with a new perspective on these experiences and an antidote to explicit and implicit cultural biases Roberts maintains that the relevance of Star Trek The Next Generation to feminist issues accounts as no other factor can for the program's huge following of female fans The incisive and innovative readings in *Sexual Generations* provide food for thought about how the final frontier can clarify pressing questions of our own space and time [Jet](#), 2000-12-25 The weekly source of African American political and entertainment news

Meme Sean Sinjin, 2004 What is the nature of reality Where did we come from Is there a God What is the point of life Give your brain a shake and take on a radically new understanding of your world by joining author Sean Sinjin as he fills in the gaps in our contemporary understanding of everything from physics to religion from the universe's birth to its death and how to find happiness in the midst of all this seeming chaos Meme pits science against the supernatural in a final battle that can only end with the truth Intentionally written with the layperson in mind the entertaining analogies diagrams and clearly stated concepts construct a complete and purpose-filled perspective on what reality really is An open mind and heart are the only prerequisites__but be warned the concepts introduced herein can be quite overwhelming and may change your life forever Come to <http://www.BetterHuman.org> for excerpts from Meme
