**[A Student Handbook to the Plays of Arthur Miller](#)**

Alan Ackerman, 2013-12-16 A Student Handbook to the Plays of Arthur Miller provides the essential guide to Miller's most studied and revived dramas Authored by a team of leading scholars it offers students a clear analysis and detailed commentary on five of Miller's plays All My Sons Death of a Salesman The Crucible A View from the Bridge and Broken Glass A consistent framework of analysis ensures that whether readers want a summary of the play a commentary on the themes or characters

or a discussion of the work in performance they can readily find what they need to develop their understanding and aid their appreciation of Miller's artistry. A chronology of Miller's life and work helps to situate his oeuvre in context and the introduction reinforces this by providing a clear overview of his writing, its recurrent themes and how these are intertwined with his life and times. For each play the author provides a summary of the plot followed by commentary on the context, themes, characters, structure and language and the play in production both on stage and screen. Adaptations, there are questions for further study and detailed notes on words and phrases in the text. The wealth of authoritative and clear commentary on each play together with further questions that encourage comparison across Miller's work and related plays by other leading writers ensures that this is the clearest and fullest guide to Miller's greatest plays.
