## **The Magic Of The Bear:**

Toby - The Magic Bear Nick Albert, 2013-11 Toby The Magic Bear is a reading pointing and counting story about a little boy and a raggedy teddy bear with dubious magic skills This delightful story will provide hours of shared bedtime reading fun for parents and children up to six years old      **Vivo, The Magic Bear** Florina Petre, 2015-06-30 Vivo the Magic Bear is a story born from the desire to restore the hope to those who are sad and teach them how to rediscover their dreams and not to give them up again I m one of the billions of fans of Michael Jackson I wrote this book as a tribute in memory of the King of Pop and I dedicate it to his children and fans I could say that is a message for all those who love Michael Jackson and want him close to their hearts That s what I felt when I wrote this book each paragraph came like a twinkle in my mind in the moment I was thinking about Michael This book is magical because my inspiration came from magic and the magic is Michael Jackson himself During the writing of the book I felt I had to teach the children that each of us has the power to heal ourself and to accelerate healing The magic of the little bear Vivo is supported in reality by the awakening power of self suggestion the purpose of healing being in its entirety The person who will read or listen to the story will look at the little bear Vivo as a hero who can heal all wounds with his magic wing In a world where it s all about money and power here on the scene is a book that speaks to you about soul life and strength to move forward when you have a thousand reasons to quit This book is about the friendship between two magical beings who live on an island and the island is guarded by a good spirit M Angel Michael Jackson who helps the two friends in their adventures Vivo has a magical wing received as a gift from M Angel and the wing can heal and bring light Vivo and Puff are best friends and each has one single wing Only together can they fly In this way the story tells us to be united so that together we can win Together we can heal the world as Michael taught us to do Vivo will teach children and adults to be tolerant loving and brave When I designed this character I used the idea that each of us has the power to heal through words through moral support with love Children around the world need a hero to teach them to believe in their dreams to grow and develop through positive thinking devoid of fear We must learn to be better because each of us is a step toward a better world We are the world and if we want to have loving people and streets devoid of violence we need to have models to teach us the importance of friendship love truth for all these Vivo is perfect There must be a small star to enlighten our souls and to teach us which are the true values of life We need spiritual light to be better more tolerant more loving to hope and to believe in our dreams      **The Magic of the Bear** Lenore Ashby, 2003-05-01 Two boys solve the mystery of a lost Ute chief and discover the true meaning of friendship while rescuing an albino bear cub and recovering the sacred bear claw necklace      Fighting My Way To Endless Vitality Fiona Zhu, Divine Revelation a groundbreaking fully immersive virtual reality MMO that transcends its era But is it really that simple Reborn into the past Lin Yi knows the truth Divine Revelation will gradually merge with the real world In this second life Lin Yi awakens with a god tier talent Undying Grasp Each basic attack permanently increases his HP by 1 point Each basic attack
