The Land Wars John

Laband, 2020-07-15 Perhaps the most explosive issue in South Africa today is the question of land ownership The central theme in this country's colonial history is the dispossession of indigenous African societies by white settlers and current calls for land restitution are based on this loss Yet popular knowledge of the actual process by which Africans were deprived of their land is remarkably sketchy This book recounts an important part of this history describing how the Khoisan and Xhosa people were dispossessed and subjugated from the time that Europeans first arrived until the end of the Cape Frontier Wars 1779 1878 The Land Wars traces the unfolding hostilities involving Dutch and British colonial authorities trekboers and settlers and the San Khoikhoen Xhosa Mfengu and Thembu people as well as conflicts within these groups In the process it describes the loss of land by Africans to successive waves of white settlers as the colonial frontier inexorably advanced The book does not shy away from controversial issues such as war atrocities committed by both sides or the expedient decision of some of the indigenous peoples to fight alongside the colonisers rather than against them The Land Wars is an epic story featuring well known figures such as Ngqika Lord Charles Somerset and his son Henry Andries Stockenström Hintsa Harry Smith Sandile Maqoma Bartle Frere and Sarhili and events such as the arrival of the 1820 Settlers and the Xhosa cattle

killing It is essential reading for anyone who wants to understand South Africa's past and present **Zulu Warriors** John Laband, 2014-05-27 Toward the end of the nineteenth century the British embarked on a concerted series of campaigns in South Africa Within three years they waged five wars against African states with the intent of destroying their military might and political independence and unifying southern Africa under imperial control This is the first work to tell the story of this cluster of conflicts as a single whole and to narrate the experiences of the militarily outmatched African societies Deftly fusing the widely differing European and African perspectives on events John Laband details the fateful decisions of individual leaders and generals and explores why many Africans chose to join the British and colonial forces The Xhosa Zulu and other African military cultures are brought to vivid life showing how varying notions of warrior honor and manliness influenced the outcomes for African fighting men and their societies A Literary Guide to the Eastern Cape Jeanette Eve, 2003 The Eastern Cape is a country of great natural beauty and tourist potential and has produced a wealth of writers and writings that have responded to the landscape in a variety of interesting and enjoyable ways *An African Introduction to the New Testament* Abeneazer G.
