The Magical Cockatoo Margery Sharp, 1974      **Prosperity Magic for Money & Wealth Magic Quest, #2** Gideon

Crusader, 2022-11-08 Magic Quest Prosperity Magic for Money Wealth is a magical codex that teaches the secrets of prosperity magic Since you are in this world and since you are exposed to this world you have to understand that there is a need for money Money is the energy of the modern world Indeed money will not buy you happiness but it can buy you the things that can make you and your loved ones happy This is simply the harsh truth of this modern world On a positive note this is actually good in the sense that there is simplicity It is all about money You just have to earn and claim it as yours And if you get it then happiness shall follow However earning money may not be that simple The design of the modern world would not make it too easy especially if you are a nobody Still witches and wizards from all over the world have created ways to exploit the system by using their magic Indeed money is the energy of the modern world but it is still a fact that magical energy is the only energy of the universe Therefore by learning to harness magical energy one can draw the quality of prosperity and attract as much money as one may desire Needless to say this has led some magical practitioners to the paths to riches happiness and glory and this has happened even during the ancient times and up to the very present time Magic Quest Prosperity Magic for Money Wealth will show you the way to prosperity through the use of magic By using the teachings and techniques in this book you can change the flow of energy and attract wealth into your life We must understand that all things are governed by magical laws This same principle remains true even with respect to money By harnessing the powers of nature you can create changes in the very fabric of the universe and draw real and absolute wealth and fortune to yourself The teachings and techniques in this book are written in an easy to understand manner so that you can focus more on learning and applying the lessons After all the true art of magic ought to be lived on a deep and personal level So are you ready for real magic Are you ready for true prosperity and wonderful changes in your life If yes then welcome welcome into this beautiful and prosperous universe of eternal magic      **OJA AND THE PARROT'S CURSE** LEO
