want to be coached Ben Roethlisberger He made players comfortable around him and let everybody have their own personality He didn't force anybody to be someone they weren't It may sound a little corny or cheesy but there's merit to that I felt comfortable being myself and I felt he had my back Andrew Luck We're a resilient group It trickles down from the head coach I think good teams really good teams and hopefully great teams take on their coach's mentality I think that's what B A brings Carson Palmer Known around the game as the quarterback whisperer Arians has an uncanny ability to both personally connect with his quarterbacks and to locate what the individual triggers are for that player to succeed No two quarterbacks are the same And yet with Arians they always share success In this book Arians will explain how he does it **The Pro**
