Slifkin,Nosson Slifkin,2006 The Challenge of Creation is a completely revised and vastly expanded edition of The Science Of Torah That work was widely hailed as the best book of its kind for its honesty and thoroughness of approach The Challenge of Creation builds upon its approach covering more issues and in greater depth Carefully methodically and eschewing sensationalistic or dogmatic claims in favor of reasoned analysis it shows how some of the greatest Jewish thinkers explained Judaism and Genesis in a way that complements modern science rather than conflicts with it The Challenge of Creation is an invaluable resource for anyone grappling with conflicts between science and religion It is a profound work that is sure to become a classic    *Annual of The Temple* ,1899    *Spiritual Vagabondry and the Making of a Rabbi* Jeremy Gordon (Rabbi),2015    *The H.U.C. Journal* ,1896    *On the Boundaries of Talmudic Prayer* Yehuda Septimus,2015-05-28 The

English term prayer is usually understood as communication with God or the gods Scholars of Jewish ritual until now have accepted this characterization and applied it to Jewish tefillah Does rabbinic prayer indeed necessarily entail second person address to God as many scholars of rabbinic prayer to this point have presumed In this work Yehuda Septimus investigates a boundary phenomenon of talmudic prayer ritual speech with addressees other than God The book represents a fresh look at the possible range of performances undertaken by talmudic ritual prayer Moreover it places that range of performances into the historical context of the rapid emergence of prayer as the centerpiece of Jewish worship in the first half of the first millennium CE    *Year Book of the Central Conference of American Rabbis* Central Conference of American Rabbis,1900

political parties never seen before In Israeli Politics Dr Taub details how the core policies mandated and actions implemented by Rabbis Shach and Yosef should show us the ways they creatively coped with the conflict and challenges between traditional religious values and a modern worldview in the beginning of the 21st century *Longing and Belonging* Nancy E. Berg,Dina Danon,2025-02-25 This volume explores the history of Jewish life and experience in the modern Islamic world Longing and Belonging investigates the lives of Jews among Muslims in the modern age both inside and outside the Ottoman Empire and after its demise Here modern Jewish protagonists are revealed as active participants in an expansive Islamic civilization reflecting a mutuality and cross fertilization in the region that raises new lines of inquiry and which offers enduring lessons for the world today This collection both foregrounds the experiences of Jewish communities that have long been relegated to the margins of historical and literary studies and critically uses these experiences to complicate prevailing narratives from both Jewish and Middle Eastern Studies By following communities from the coffeeshops of Cairo to the villages of Yemen from the local marriage market in Izmir to the global commerce of the Sassoons readers gain intimate insight into a world that resists a simple understanding of the modern Islamic world and of the place of Jews within it Just as much as the Sephardi and Mizrahi experience complicates prevailing paradigms in the study of Jewish modernity so too does it enrich understandings of modernity across Muslim societies The volume tells a story of longing belonging and longing to belong of multiple affinities in a world that no longer exists Contributors Esra Almas Nancy E Berg Dina Danon Keren Dotan Annie Greene Alma Rachel Heckman Hadar Feldman Samet Joseph Sassoon Edwin Seroussi Alon Tam Alan Verskin Mark Wagner
