# The Making Of Detente

**George R. Urban**

## **The Making Of Detente:**

**The Making of Détente** Keith L. Nelson, 2019-12-01 Originally published in 1995 In the early 1970s largely as a result of the debilitating struggle in Vietnam the United States began to reassess and redefine its basic approach to East West relations At the same time the Soviet Union was awakening to the liabilities that a continuing and unregulated state of hostility would impose on its own internal and external agenda Keith Nelson details the circumstances and traces the steps that led to the first significant accommodation and easing of tension between the superpowers during the Cold War In this important study Keith Nelson explains the detente period in an imaginative convincing and impressively scholarly manner Although there have been scores of books and memoirs on the subject none have done the job quite like Nelson's In particular he has used post glasnost Russian memoirs and monographs and especially his own interviews with such key players as Dobrynin and Arbatov to present one of the most intelligent Kremlinological studies I have ever seen Melvin Small Wayne State University

**The Making of Détente** Wilfried Loth, George Soutou, 2010-04-05 Containing essays by leading Cold War scholars such as Wilfried Loth, Geir Lundestad and Seppo Hentil this volume offers a broad ranging examination of the history of détente in the Cold War The ten years from 1965 to 1975 marked a deep transformation of the bipolar international system of the Cold War The Vietnam War and the Prague Spring showed the limits of the two superpowers who were constrained to embark on a wide ranging détente policy which culminated with the SALT agreements of 1972 At the same time this very détente opened new venues for the European countries French policy towards the USSR and the German Ostpolitik being the most evident cases in point For the first time since the 1950s Western Europe began to participate in the shaping of the Cold War The same could not be said of Eastern Europe but ferment began to establish themselves there which would ultimately lead to the astounding changes of 1989-90 the Prague Spring the uprisings in Gdańsk in 1970 and generally the rise of the dissident movement That last process being directly linked to the far reaching event which marked the end of that momentous decade the Helsinki conference The Making of Détente will appeal to students of the Cold War international history and European contemporary history

**The Making of Détente** Keith L. Nelson, 2019 In The Making of Detente historian Keith Nelson details the circumstances and traces the steps that led to the first significant accommodation and easing of tension between the superpowers during the Cold War He shows that this occurred because historical developments combined in both countries to create a scarcity of the resources needed to maintain the existing activities of their societies economies and governments Given ample means and apparent success each nation would have almost certainly been inclined to continue established policies even if these had meant perpetuation of the Cold War But in the face of substantial shortages deriving from setbacks with regard to domestic unity and morale the performance of the economy and relations with allies realistically conservative leaders on both sides those with little interest in transcendent change found themselves irresistibly attracted by the possibility of an arrangement with their foreign opponent that would reduce

the demands being put on them The Making of Détente Keith L. Nelson,1995-03 In The Making of Detente historian Keith Nelson details the circumstances and traces the steps that led to the first significant accommodation and easing of tension between the superpowers during the Cold War He shows that this occurred because historical developments combined in both countries to create a scarcity of the resources needed to maintain the existing activities of their societies economies and governments Given ample means and apparent success each nation would have almost certainly been inclined to continue established policies even if these had meant perpetuation of the Cold War But in the face of substantial shortages deriving from setbacks with regard to domestic unity and morale the performance of the economy and relations with allies realistically conservative leaders on both sides those with little interest in transcendent change found themselves irresistibly attracted by the possibility of an arrangement with their foreign opponent that would reduce the demands being put on them **Détente**

**in Europe, 1972-1976** Gill Bennett,Keith A. Hamilton,2013-10-23 Drawing on records of the Foreign and Commonwealth Office this work focuses on Britain s role in the Mutual and Balanced Force Reductions in Vienna and British policy towards the Soviet Union and its satellites British reactions to detente between the superpowers are charted **The Presidency of Richard Nixon** Melvin Small,1999 A lively anecdotal account features every facet of Nixon s controversial administration just in time for the 25th anniversary of his history making resignation from the presidency 23 photos **Bulletin of the Atomic Scientists** ,1977-12 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **The Rise and Fall of Détente** Richard W Stevenson,1985-07-21

*Détente* Eleanor Lansing Dulles,Robert Dickson Crane,1965 American Defense and Détente Eugene Rosi,1973

*Germany and the Management of Détente* Philip Windsor,1971 Beskrivelse af Tysklands sp rgsm let med hovedv gten p Vesttysklands BRD forhold til sttyskland DDR **Ruling Communist Parties and Détente** Jeffrey Simon,1975

**Détente** George R. Urban,1976 Interviews udsendt over Radio Free Europe 1973 75 **Cold War to Détente 1945-80** Colin Bown,Peter J. Mooney,1981 International affairs in the post war world have been dominated by the competition between Communist and anti Communist powers for hegemony in particular areas and for world influence in general The Vietnam War Files Jeffrey P. Kimball,2004 The new evidence uncovers a number of behind the scenes plays such as Nixon s secret nuclear alert of October 1969 and sheds more light on Nixon s goals in Vietnam and his and Kissinger s strategies of Vietnamization the China card and triangular diplomacy The excerpted documents also reveal significant new information about the purposes of the linebunker bombings Nixon s manipulation of the pow issue and the conduct of the secret negotiations in Paris as well as other key topics events and issues All of these are effectively framed by Kimball whose introductions to each document provide historical context **American and Soviet Relations Since Détente** Terry L. Heyns,1987 Sino-Russian Détente and the Regional Implications Gary Klintworth,1992 **Marxism Today** ,1984

**The Republic of South Africa and Detente** Denis Worrall, 1976
