Doak Barnett, 2019-09-13 Until recently Westerners have not adequately understood the structure of the PRC's policymaking process in the post Mao period Dr Barnett's pathbreaking study provides comprehensive information on how China's foreign policy decisions are made The author draws not only on his past research but also on intensive

interviews conducted during 1984 with a wide range of Chinese officials including Premier Zhao Ziyang academics and journalists to describe a major shift in top level decision making from the Politburo and Standing Committee to the Party Secretariat and State Council He analyzes the foreign policy roles of various specialized party and government organizations as well as the roles of key government ministries and the military establishment and discusses not only the institutions and individuals involved in the policy process but also the sources of information and analyses on which their decisions are based including major press organizations research institutions and universities Taking advantage of the new openness of both leaders and working level specialists in the PRC Dr Barnett has written the most detailed and up to date study available One of the most distinguished China experts of our time A Doak Barnett was professor of government at Columbia University and a senior fellow of the Brookings Institution He is now professor of Chinese Studies at the School of Advanced International Studies at The Johns Hopkins University

**Critical Readings on the Communist Party of China (4 Vols. Set)** Kjeld Erik Brodsgaard, 2016-12-12 The Chinese Communist Party CCP with nearly 90 million members is the largest ruling political party in the world Its power and influence reach into every corner of state society and economy in China Given the CCP s omnipresence in depth knowledge of how the CCP is organised and managed and how it will likely evolve is of paramount importance and is a basic prerequisite for understanding China s rise By bringing together the best scholarship on the CCP covering areas such as organisation cadre management recruitment and training ideology and propaganda factions and elites reform and adaptation corruption and law this collection provides a key to open the black box of Chinese politics

**Mao Zedong & China's Foreign Policy** Amrita Jash, 2025-07-22 This book analyses China s foreign policy from 1949 to 1976 through a cognitive perceptual lens emphasise Mao Zedong s central role as the primary decision making authority Moving beyond realist frameworks it highlights how Mao s ideological worldview shaped by his theory of contradictions revolutionary zeal and use of historical analogies drove China s foreign policy particularly in relation to Vietnam His subjective interpretation of global affairs reinforced by Marxist Leninist principles and China s historical identity guided key strategic decisions The study underscores the importance of individual leaders beliefs perceptions and psychological traits in shaping foreign policy offering broader implications for understanding international relations through cognitive and psychological approaches

**Chinese Foreign Policy** Suisheng Zhao, 2004 China s post Mao leadership has been increasingly sensitive to China s position in the changing global environment This book examines China s strategic place on the world stage particularly in its relationships with major powers and Asian neighbours and highlights the security implications of China s emerging role in the global system

**China's Political System** June Teufel Dreyer, 2004 This highly respected text demonstrates how the government of the world s most populous nation has been significantly affected by attempts to harmonize the unique nature of its indigenous culture with a variety of influences and ideas from outside China faces many challenges to its traditional economic legal social and cultural structures This text provides students with a clear sense of

how this transition is taking place what its effects on the current leaders and policies are and how the system might evolve in the future     Defining a changing China in global politics Chun Lin,2000     China And The World Samuel S

Kim,2018-02-02 As the postwar international system continues its dramatic transformation the fundamental question of what role China will play is becoming increasingly central Contributors to the volume focus on the developments of the post Tiananmen years addressing the issues raised by China s expanding and increasingly complex relationships with a rapidly changing global environment They consider such questions as What is the principal challenge of post Tiananmen foreign policy How will China cope with the call for a more peaceful equitable democratic and ecological world order How has the nexus between China and the world changed in this transition period and why What are the implications for China s future and for the future of the rest of the world Combining a broad theoretical framework with specific case studies this text tackles themes that have long puzzled Westerners Seeking the often elusive sources of Chinese foreign policy the contributors assess the relative influences of domestic and foreign factors in shaping policy goals They also examine the changes and continuities that have characterized Chinese foreign relations over the years identifying the patterns underlying China s interactions with the major global actors and its policies on specific international issues Special attention is paid to the word deed and at times word word disjuncture in Chinese foreign relations with several chapters probing the discrepancies between rhetoric and reality policy pronouncements and policy performance and intent and outcome The human rights component of China s foreign policy and China s foreign policy options for the last decade of the century are also discussed New to this revised and updated edition of China and the World are discussions concerning Chinese foreign policies and international relations theories the relationship between China and the Third World and China s environmental diplomacy     China's Japan Policy: Learning from the Past Amrita Jash,2023-11-03 The book establishes a linkage between

perceptions and foreign policy by exploring how China s behavior towards Japan is driven by mental shortcuts The study is focused on the aspect of historical memories and how it factors in China s Japan Policy It explores the linkage between perceptions born from the past their interpretations in the present and thereby the shaping of policy behavior of China towards Japan The author delves beyond the realist and liberal interpretations of international politics which assume that states interests and material capabilities are a given in the international system thus offering a conceptual understanding of Sino Japanese relations in the twenty first century     **Foreign Policy in Comparative Perspective** Ryan K. Beasley,Juliet Kaarbo,Jeffrey S. Lantis,Michael T. Snarr,2012-04-25 Widely regarded as the most comprehensive comparative foreign policy text Foreign Policy in Comparative Perspective has been completely updated in this much anticipated second edition Exploring the foreign policies of thirteen nations both major and emerging players and representing all regions of the world chapter authors link the study of international relations to domestic politics while treating each nation according to individual histories and contemporary dilemmas The book s accessible theoretical framework is designed to enable

comparative analysis helping students discern patterns to understand why a state acts as it does in foreign affairs     Japan's Foreign Policy Making System Tsutomu Odani,1981     *China Research Monographs* ,1967     *China's Nuclear Non-proliferation Policy and International Regime* Hao Jia,1999     Rising to the Challenge Avery Goldstein,2005 This book analyzes a rise in China's grand strategy for the early twenty first century and considers its consequences for international peace and security as well as the challenges it poses for policymakers     **The Chinese Historical Review** ,2007     *Arms Control and Disarmament, Defense and Military, International Security, and Peace* Stephen E.
