

The Making Of Israels Army

Don Peretz

The Making Of Israel's Army:

The Making of Israel's Army Yigal Allon, 1970 *The Making of Israel's Army* Yigal Allon, 2024-07-03 Allon recounts the growth of the Israeli army from its inception in the 1880s when Jewish communities in Palestine formed their first small self defence groups through the Haganah's clandestine period in the 1920s and 30s and the fighting after 1945 when army and state together achieved legality to the Sinai Campaign of 1956 and the Six Day War in June 1967 when the army reached maturity His precise economical narrative interspersed with brief passages of analysis is supplemented by extensive documentation which is especially interesting in the way it traces the development of attitudes and doctrine in the Israeli forces The work is a valuable contribution It tells us a great deal about the organization in its various stages that fought the wars and helps explain why these assumed the forms that they did and why they succeeded a study that is more than a history of a military organization Middle Eastern Studies Allon has contributed an extended essay concerned with the Israeli Government's military philosophy policy and strategy rather than an administrative and technical history half the book contains several important reports and policy statements not easily available in English describing military actions undertaken between 1941 and 1967 Allon was an important contributor to the development of the Israeli Defense Forces a rather breathtaking sweep in which hardly a word is wasted The American Political Science Review Allon seeks to explain in concise format the development of Israel's military doctrines of defense The author was former Palmach commander one of the architects of the IDF and a commander of various military units and on several battlefronts during Israel's War of Independence Middle East Journal The development of Israel's armed forces and military doctrine in the context of that country's unique strategic needs Especially interesting are the criticisms of some of the Israeli government's decisions taken just before and during the Six Day War Foreign Affairs An account authoritative in content modest in tone of the growth and character of the Israeli army by one of its principal creators and leaders International Affairs Allon gives a short historical and technical account of the evolution of an Israeli fighting capability over the past 70 years The exploits of this army are significant and should be analyzed No less interesting are the book's descriptions of individual actions by participants in the first and second of Israel's wars The value of the book stems partly from a continuity of perspective on Israel's strategic problems from 1948 to August 1969 a useful book Military Affairs

Israel's Civil-Military Relations and Security Sector Reform Ian Westerman, 2024-02-13 This book examines Israel's civil military relations CMR in order to explore alternatives to orthodox Western models of security sector reform SSR in post conflict societies This book argues that the guidelines of SSR have always tended to draw on theoretical work in the field of CMR and focus too heavily on Western liberal democratic models of governance Consequently reform programs based on these guidelines and intended for use in post conflict and conflict affected states have had at best mixed results The book challenges the necessity for this over reliance on traditional Western liberal democratic solutions and instead advocates an alternative approach It proposes that

by drawing on an unconventional CMR model that in turn references the specific context and cultural background of the particular state being subject to reform there is a significantly higher chance of success Drawing on a case study of Israel's CMR the author seeks to provide practical assistance to those working in this area and considers the question of how this unorthodox CMR model might usefully inform post conflict and conflict affected SSR programmes This book will be of interest to students of military studies security studies Israeli politics and International Relations Israeli Soldier vs Syrian Soldier David Campbell, 2016-06-16 Israel seized the strategically critical Golan Heights from Syria during the 1967 Six Day War in an audacious and determined operation yet when the Yom Kippur War broke out the Israeli military were exposed by the effectiveness of the newly confident and dangerous Syrian army In the Golan only luck herculean Israeli efforts and tactical misjudgements by the Syrians were to allow the Israelis to maintain control In this book three pivotal encounters in the Golan are assessed supported by artwork maps and photographs tracking how both sides forces evolved over the period

The Arab-Israeli Wars, the Chinese Civil War, and the Korean War Roy Kenneth Flint, Peter W. Kozumplik, Thomas J. Waraksa, 1987 What does the American novel look like in the foundational period of the early American republic This collection of essays sets out to present the current state of criticism in an area that is at once extremely familiar and just beginning to be studied *Militarism and Israeli Society* Gabriel Sheffer, Oren Barak, 2010-03-12 Challenging the established view that the civilian sector in Israel has been predominant over its security sector since the state's independence in 1948 this volume critically and systematically reexamines the relationship between these sectors and provides a deeper more nuanced view of their interactions Individual chapters cast light on the formal and informal arrangements connections and dynamic relations that closely tie Israel's security sector to the country's culture civil society political system economy educational system gender relations and the media Among the issues and events discussed are Israel's separation barrier the impact of Israel's military confrontations with the Palestinians and other Middle Eastern states especially Lebanon and the impact of the wars in Iraq and Afghanistan The Israeli case offers insights about the role of the military and security in democratic nations in contemporary times **Blitzkrieg to Desert Storm** Robert Michael Citino, 2004 When Germany launched its blitzkrieg invasion of France in 1940 it forever changed the way the world waged war Although the Wehrmacht ultimately succumbed to superior Allied firepower in a two front war its stunning operational achievement left a lasting impression on military commanders throughout the world even if their own operations were rarely executed as effectively Robert Citino analyzes military campaigns from the second half of the twentieth century to further demonstrate the difficulty of achieving decisive results at the operational level Offering detailed operational analyses of actual campaigns Citino describes how UN forces in Korea enjoyed technological and air superiority but found the enemy unbeatable provides analyses of Israeli operational victories in successive wars until the Arab states finally grasped the realities of operational level warfare in 1973 and tells how the Vietnam debacle continued to shape U S doctrine in surprising

ways Looking beyond major power conflicts he also reveals the lessons of India's blitzkrieg like drive into Pakistan in 1971 and of the senseless bloodletting of the Iran Iraq War Citino especially considers the evolution of U S doctrine and assesses the success of Desert Storm in dismantling an entrenched defending force with virtually no friendly casualties He also provides one of the first scholarly analyses of Operation Iraqi Freedom showing that its plan was curiously divorced from the realities of military history grounded instead on nebulous theories about expected enemy behavior Throughout Citino points to the importance of mobility especially mobilized armor in modern operational warfare and assesses the respective roles of firepower training doctrine and command and control mechanisms Brimming with new insights Citino's study shows why technical superiority is no guarantee of victory and why a thorough grounding in the history of past campaigns is essential to anyone who wishes to understand modern warfare Blitzkrieg to Desert Storm provides that grounding as it addresses the future of operational level warfare in the post 9 11 era The Making of Israeli Militarism Uri Ben-Eliezer,1998-06-22 an original interpretation of the wide ranging impact of the military on Israeli society one of the most insightful works on Israeli society in general Gershon Shafir From the early days of the Yishuv militarism and the military have become a way of life for Israelis Focusing on the period between 1936 and 1956 Uri Ben Eliezer traces the ways in which military force acquired legitimacy in civilian society and how the use of organized violence became an acceptable solution to conflicts especially the Arab Israeli conflict **The Jewish World In Modern Times** Abraham J Edelman,Hershel Edelman,2019-09-10 The momentous events of modern Jewish history have led to a proliferation of books and articles on Jewish life over the last 350 years Placing modern Jewish history into both universal and local contexts this selected annotated bibliography organizes and categorizes the best of this vast array of written material The authors have included all English language books of major importance on world Jewry and on individual Jewish communities plus books most readily available to researchers and readers and a select number of pamphlets and articles The resulting bibliography is also a guide to recent Jewish historiography and research methods The Making of the Arab-Israeli Conflict, 1947-51 Ilan Pappé,1992 **The Journal of Military History** ,2004 **News from the School of the Jewish Woman** ,1971 **The Government And Politics Of Israel** Don Peretz,1983-12-15 Overviews the dynamics of Israeli politics focusing on the latest changes in electoral procedures and political parties as well as the origins of the government and the evolution of its institutions Details the workings and policies of government and discusses the status of women political ideologies interest groups and the Gulf War This third edition is revised to reflect changes in the country since 1983 including the withdrawal from Lebanon and the recent Declaration of Principles Paper edition unseen 23 00 Annotation copyrighted by Book News Inc Portland OR

The Making Of Israels Army Introduction

In todays digital age, the availability of The Making Of Israels Army books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Making Of Israels Army books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Making Of Israels Army books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Making Of Israels Army versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Making Of Israels Army books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Making Of Israels Army books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The

Making Of Israels Army books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Making Of Israels Army books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Making Of Israels Army books and manuals for download and embark on your journey of knowledge?

FAQs About The Making Of Israels Army Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Making Of Israels Army is one of the best book in our library for free trial. We provide copy of The Making Of Israels Army in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Making Of Israels Army. Where to download The Making Of Israels Army online for free? Are you looking for The Making Of Israels Army PDF? This is definitely

going to save you time and cash in something you should think about.
