The Making Of Religion:

The Making of Religion Andrew Lang,1898 **Making Religion, Making the State** Yoshiko Ashiwa,David L. Wank,2009-03-24 Making Religion Making the State combines cutting edge perspectives on religion with rich empirical data to offer a challenging new argument about the politics of religion in modern China The volume goes beyond extant portrayals of the opposition of state and religion to emphasize their mutual constitution It examines how the modern category of religion is enacted and implemented in specific locales and contexts by a variety of actors from the late nineteenth century until the present With chapters written by experts on Buddhism Protestantism Catholicism Daoism Islam and more this volume will appeal across the social sciences and humanities to those interested in politics religion and modernity in China **Making Religion and Human Rights at the United Nations** Helge Årsheim,2018-07-23 This volume examines the different and sometimes contradictory approaches of four UN human rights committees to the concept of religion Drawing on critical perspectives from religious studies the book combines a genealogical assessment of the role of religion in international law with a detailed textual study of the reporting practice of the committees monitoring racial discrimination civil and political rights women s rights and children s rights rsheim argues that the role of religion within the rights traditions monitored by the committees varies to the extent that their recommendations risk contradicting one another thereby undermining their credibility and potential to bring about real change on the ground Where some committees view religion singularly as a core individual right others see religion partly as an inherent threat to the realization of other rights but also as a potent social force to be reckoned with In order to remedy this situation rsheim proposes the publication of a joint general comment by all the committees spelling out their approach to the role of religion in the implementation of human rights **The Making of Religion** Andrew Lang,2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The Making of Religion** Lang Andrew,2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Papers of the American Society of Church History** American Society of Church History,1895 Includes annual reports **The Origin and Development of Religious Belief** Sabine Baring-Gould,1870 **Atlantic Monthly** ,1890 **The Theories of Darwin and Their Relation to Philosophy, Religion, and Morality** Rudolf Schmid,1883 **The Making of Literature** Rolfe Arnold
