The Making Of Taxi Driver:

The Making of Taxi Driver Geoffrey Macnab,2005-01-01 In Travis Bickle Robert De Niro the Vietnam vet turned New York taxi driver Scorsese created a character who summed up perfectly the seething discontents of an American still traumatised by Vietnam and Watergate In the context of director Martin Scorsese's many influences that led to *Taxi Driver* from Dostoevsky novels to John Ford westerns and film noir thrillers and the film's subsequent impact on the work of countless later directors *The Making Of Taxi Driver* explores how this modern classic came together And looking at some of the myths surrounding the movie asks why 30 years on it still has such resonance with contemporary audiences **Classic**

Film Series Chris Wade,2017-09-14 This book celebrates one of the most acclaimed enduring and powerful films of the past fifty years Martin Scorsese's 1976 masterpiece *Taxi Driver* an undisputed movie staple which seems to grow in popularity as the decades go by Though a condensed personal small film about one man in a big city it has an epic feel about it It is an odyssey a journey into the mind of Travis Bickle the darkest depths of his soul and whether we like it or not ours too Chris Wade explores the making of *Taxi Driver* as well as the film's themes the subtext the way it has often crossed over into our real world and its long lasting legacy There is also an interview with the man who played Doughboy in the film *Harry Northup* an acclaimed actor and poet who takes us inside life on the set of a classic **Taxi Driver** Amy Taubin,2019-07-25 Paul Schrader was in meltdown in 1972 Drinking heavily living in his car he was hospitalised with a gastric ulcer There he read about Arthur Bremer's attempt to assassinate Alabama Governor George Wallace the story was the germ of his screenplay for *Taxi Driver* 1976 Executives at Columbia hated the script but when Martin Scorsese and Robert De Niro who were flying high after the triumphs of *Mean Streets* 1973 and *The Godfather Part II* 1974 signed up *Taxi Driver* became too good a package to refuse Scorsese transformed the script into what is now considered one of the two or three definitive films of the 1970s De Niro is mesmerising as Travis Bickle pent up bigoted steadily slipping into psychosis the personification of American masculinity post Vietnam Cybill Shepherd and Jodie Foster give fine support and Scorsese brought in Bernard Herrmann the greatest of film composers to write what turned out to be his last score Crucially Scorsese rooted *Taxi Driver* in its New York locations tuning the film's violence into the hard reality of the city Technically thrilling though it is *Taxi Driver* is profoundly disturbing finding as Amy Taubin shows racism misogyny and gun fetishism at the heart of American culture In her foreword to this special edition published to celebrate the 20th anniversary of the BFI Film Classics series Amy Taubin considers *Taxi Driver* anew in the context of contemporary politics of race and masculinity in the US and draws on an exclusive interview with Robert De Niro about his memories of making the film **Taxi Driver—The Ill Fated Lad** Mr. Donny Churchill,2017-04-05 This book is a real life story about the beauty of life when you have a wonderful income which ultimately gave me a glamorous lifestyle I had a lavished apartment on the Upper East Side of Manhattan where I was always entertaining my friends and their friends Sometimes my friends and I would use limousine just for the night out At the end of

my company contract and after about another six months without income I sold my condominium at a reasonable price and relocated to Jersey City in New Jersey I lived in a spacious apartment for another five months without income then I decided to drive a yellow cab I went to TLC for my hack license to enable me to drive a taxi I registered with a taxi company in Brooklyn and I became a taxi driver Driving the taxi and continuing my job hunting at the same time was daunting With too many summonses from police officers and TLC inspectors within a period of about four years taxi driving my license was revoked No more taxi driving no more income And my life became too miserable [Martin Scorsese](#) Ian Nathan,2025-11-04

Discover the genius of Martin Scorsese one of cinema s greatest storytellers For over 50 years Martin Scorsese has been one of cinema s most celebrated directors From a Catholic kid in Manhattan to a legendary filmmaker he s shaped Hollywood with masterpieces such as Taxi Driver Goodfellas and The Irishman But what makes a Scorsese film unique His stories explore power morality and human nature blending raw emotion with intellectual depth Whether reinventing noir musicals or crime dramas his work captures the pulse of America and the Italian American experience This book dives into all 26 of his films breaking down his signature themes iconic collaborations with Robert De Niro and Leonardo DiCaprio and his place in film history A true movie fanatic and preservationist Scorsese continues to push boundaries proving that cinema isn t just entertainment it s an art form [The Films of Martin Scorsese and Robert De Niro](#) Andrew J Rausch,2023-06-14

In 1973 early in their careers Martin Scorsese and Robert De Niro collaborated for the first time Over the next few decades they worked together on seven more movies many of which brought them both acclaim and awards And while successful director and actor pairings have occurred throughout the history of film few have fashioned so many works of enduring value as these two artists In little more than two decades Scorsese and De Niro produced eight features including the classics Taxi Driver Raging Bull and GoodFellas In The Films of Martin Scorsese and Robert De Niro Andrew J Rausch examines the creative output of this remarkable pair from their initial offering Mean Streets to their most recent film together Casino Rausch looks at their relationship as individual artists who worked together to create cinematic magic as well as the friendship that was forged nearly 40 years ago Drawing upon interviews and other sources Rausch goes behind the scenes of their eight films providing insi

Scenography and Art History Astrid Von Rosen,Viveka Kjellmer,2021-05-20 Scenography and Art History reimagines scenography as a critical concept for art history and is the first book to demonstrate the importance and usefulness of this concept for art historians and scholars in related fields It provides a vital evaluation of the contemporary importance of scenography as a critical tool for art historians and scholars from related branches of study addressing phenomena such as witchy designs Early Modern festival books live rock performances digital fashion photography and outdoor dance interventions With its nuanced and detailed case studies this book is an innovative contribution to ongoing debates within art history and visual studies concerning multisensory events It extends the existing literature by demonstrating the importance of a reimagined scenography concept for comprehending historical and contemporary art

histories and visual cultures more broadly The book contends that scenography is no longer restricted to the traditional space of the theatre but has become an important concept for approaching art historical and contemporary objects and events It explores scenography not solely as a critical approach and theoretical concept but also as an important practice linked with unrecognized labour and broader political social and gendered issues in a great variety of contexts such as festive culture sacred settings fashion film or performing arts Designed as a key resource for students teachers and researchers in art history visual studies and related subjects the book through its cross disciplinary frame does consider implicitly and explicitly the roles of both scenography and art in society *The Making of a Maori* James E. The Making Of Taxi Driver Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Making Of Taxi Driver free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Making Of Taxi Driver free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Making Of Taxi Driver free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Making Of Taxi Driver. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be

cautious and verify the legality of the source before downloading The Making Of Taxi Driver any PDF files. With these platforms, the world of PDF downloads is just a click away.
