Oliver Cromwell: the Man and His Mission James Allanson Picton, 1883 *Acquisition and Loss of Nationality* | Volume 2: *Country Analyses* Kees Groenendijk, Eva Ersbøll, Harald Waldrauch, 2025-10-01 Nationality and citizenship have been subjects of stormy policy debates in many EU countries in recent years Concerns over the integration of immigrants but also attempts to forge links with emigrants have led to changes in the laws regulating loss and acquisition of nationality and citizenship This title outlines the research conducted by a team of 30 researchers into the nationality laws and their implementation in 15 EU member states Volume 2 www.imiscoe.org Volume 1 2 are also available as a set This is the most comprehensive comparative study of the legal status of nationality so far and it will become an indispensable source of reference for further research For more information see <http://www.imiscoe.org/natac> **Married But Available** B. Nyamnjoh, 2008-09-15

Married But Available ventures into a theme about which people say as much as they withhold It explores intersections between sex money and power challenging orthodoxies revealing complexities and providing insights into the politics and economics of relationships During six months of fieldwork in Mimboland Lilly Loveless a Muzungulander doctoral student in Social Geography researches how sex shapes and is shaped by power and consumerism in Africa The bulk of her research takes place on the outskirts of the University of Mimbo an institution where nothing is what it seems Through her astounding harvest of encounters interviews conversations and observations the reader gets a captivating glimpse into the frailty and resilience of human beings and society Lilly Loveless comes out of it all well and truly baptized And so does the reader

pragmatically in real time and space how the myths come alive in flesh and spirit how the metaphors become the very things they symbolize How does daily life look from inside someone in the throes of awakening How does she know who or what she is How is her destiny revealed How do seemingly ordinary mundane events become miracles This book begins to answer those questions
