The Man Who Loved Children:

The Man Who Loved Children Christina Stead, 2016-04-07 All the June Saturday afternoon Sam Pollit's children were on the lookout for him as they skated round the dirt sidewalks and seamed old asphalt of R Street and Reservoir Road Sam and Henny Pollit have too many children too little money and too much loathing for each other As Sam uses the children's adoration to feed his own voracious ego Henny becomes a geyser of rage against her improvident husband And caught in the midst of it all is Louisa Sam's watchful eleven year old daughter

Man Who Loved Children Christina Stead, 2012 This crazy gorgeous family novel is one of the great literary achievements of the twentieth century I carry it in my head the way I carry childhood memories the scenes are of such precise horror and comedy that I feel I didn't read the book so much as live it Jonathan Franzen author of Freedom The Man Who Loved Children is a brutally honest examination of domestic life and family Sam and Henny Pollit have too much too much contempt for one another too many children too much strain under endless obligation Flush with ego and a chilling domestic power Sam torments his children bending and manipulating their seemingly limitless love to his overbearing advantage while Henny looks on desperately all too aware of the madness at its root A favorite novel of Jonathan Franzen and Randall Jarrell among many others The Man Who Loved Children stands as Christina Stead's masterwork
