**Stories My Grandpa Wrote for Me** Glenn W. Martin, 2000-12-13 This charming book contains ten children's stories by Glenn W. Martin. The first eight stories were written for his grandchildren and to be read to the children of the churches he served at their Christmas Eve Family Services. You will meet Browster the dog and Marty Mouse and the three performers who missed the Christmas Pageant. You will find out if Patty got her Christmas wish and learn about the girl who didn't want anything for Christmas. You will go to the manger with the stable boy and share the disappointment of Ladius the shepherd boy who had to stay home. And you will wonder with the blind Jacob whether or not the new baby can really work miracles. The last two stories were written specifically for this book for his two youngest grandchildren. You will learn why Jesus is missing from the manger and why Shirley Starcluster can't twinkle. These stories which are dedicated to Glenn's grandchildren will never grow old or out of date. They will continue to delight, inspire, and bring hope and joy. They are his gift to all children, whoever and wherever they may be.

**The Complete Fairy Books (Vol.1-12)** Andrew Lang, 2023-11-11

Andrew Lang's *The Complete Fairy Books* Vol 1-12 is a comprehensive anthology that gathers a remarkable collection of fairy tales drawing from diverse cultural traditions and folklores. This twelve volume series showcases Lang's adeptness in weaving together enchanting narratives that resonate with universal themes of morality, adventure, and the triumph of good over evil. His distinctive literary style, marked by a lyrical prose and an inclusive approach, reflects the broader late 19th century Renaissance of fairy tales, rejuvenating interest in oral traditions and serving to preserve narratives often forgotten by time. Each volume offers readers a vibrant tapestry of stories ranging from the whimsical to the darkly enchanting, underscoring the timeless appeal of this genre. Andrew Lang, a prominent Scottish poet, novelist, and literary antiquarian, was deeply connected to the broader Victorian interest in folklore and mythology. His extensive education and passion for collecting tales from various cultures drove him to curate these volumes. Lang's belief in the moral lessons embedded within fairy tales and his efforts to render them accessible to modern audiences highlight his dedication to preserving narratives that hold significant cultural heritage and convey important life lessons. Readers seeking to immerse themselves in the rich world of fairy tales will find *The Complete Fairy Books* an indispensable resource. Lang's careful selection and retelling will not only entertain but also enlighten, making it a perfect addition to the libraries of both beloved literary classicists and new generations of readers eager to explore the magic of these timeless stories.
