Under the Mango Tree Tracy Hunter,2017-11-07 This particular book was inspired by my father He was born and raised in Hilo Hawaii As a child I really did spend many summers going to Hawaii with my grandmother to visit family there My uncle had a huge mango tree in his backyard and he would let me pick them just as the girl in the story does I wanted a children s book that brought out fantasy and imagination for children as well as taught them something I have a love for animals and nature and so I decided to combine trees and animals My intention is to create a series that will always relate to personal experiences with a different kind of tree and the animals that inhabit them I was raised in the central coast of California and so my next book will be about oak trees as our property had many of them as did the surrounding area I am still contemplating which animal I will choose Lani s character is inspired by me as a child hanging out in Hawaii She is a dreamer with a great imagination as I hope all children have She is also very curious and has a thirst for knowledge again a hope I want to inspire in children The bat family characters all have very different character traits but as a family unit I think children will find them fun and easy to relate to The message is simple Use your imagination dreaming is a good thing be curious and go learn from it and it is OK that things in life are not always permanent It just might mean there is something better around the corner so don t stop looking Mahalo **The Mango Tree** Chaya Alenick,2018-02-10 Mr Mouse is on a journey to find a famous mango tree which is known to deliver wonderful flavorful fruit On his way Mr Mouse encounters many different animal species which are his known predators and attempts to persuade them one by one to work together to find this magical tree and enjoy it s luscious fruits Through this exhilarating adventure they are learning to be friends instead of enemies and care for each other This book is about building friendships and love No matter our differences cultures and where we are from we can all get along and find the good in one another **The Mango Tree** Robert Hagen,2015-07-25 I have seen enough fear skepticism and intolerance but the friendliness I have met beats it all *Under the Mango Tree* Chris
