Witchcraft in Europe in Middle Ages and Early Modern Period was believed to be a combination of sorcery and heresy. While sorcery attempts to produce negative supernatural effects through formulas and rituals, heresy is the Christian contribution to witchcraft in which an individual makes a pact with the Devil. In addition, heresy denies witches the recognition of important Christian values such as baptism, salvation, Christ and sacraments. In Early Modern European tradition, witches were stereotypically though not exclusively women. European pagan belief in witchcraft was associated with the goddess Diana and dismissed as diabolical fantasies by medieval Christian authors. Witch hunts first appeared in large numbers during the 14th and 15th centuries. It was commonly believed that individuals with power and prestige were involved in acts of witchcraft and even cannibalism.

This anthology aligns with and enriches the discourse on the cultural zeitgeist of each respective era, revealing magic and witchcraft as socio-political tools, reflections of societal fears and as paths to personal enlightenment. **Witchcraft in Illinois** Michael Kleen, 2011-08-05 The hidden history of witchcraft in the Land of Lincoln is revealed in this unique study by the author of *Haunting Illinois*. Although the Salem Witch Trials have drawn focus to New England as the center of witchcraft in American history, the practice was widespread across the Midwest. In Illinois, witchcraft and witch persecution have been part of local culture since French explorers arrived in the 17th century. In *Witchcraft in Illinois*, historian Michael Kleen presents the full story of the Prairie State's dalliance with the dark arts. On the Illinois frontier, pioneers pressed silver dimes into musket balls to ward off witches while farmers dutifully erected fence posts according to phases of the moon. In 1904, the quiet town of Quincy was shocked to learn of Bessie Bement's suicide after the young woman sought help from a witch doctor to break a hex. In turn of the century Chicago, Lauron William de Laurence's occult publishing house churned out manuals for performing bizarre rituals intended to attract love and exact revenge. **Witch, Warlock, and Magician** William Henry Davenport Adams, 1889
