[Robert A. Caro's The Years of Lyndon Johnson Set](#) Robert A. Caro, 2013-04-09 The political biography of our time now available in a four volume hardcover set Robert A Caro's life of Lyndon Johnson is one of the richest most intensive and most revealing examinations ever

undertaken of an American president It is the magnum opus of a writer perfectly suited to his task the Pulitzer Prize winning biographer historian chronicler also of Robert Moses in The Power Broker whose inspired research and profound understanding of the nature of ambition and the dynamics of power have made him a peerless expicator of political lives

Taken together the installments of Mr Caro's monumental life of Johnson form a revealing prism by which to view the better part of a century in American life and politics during which the country experienced tumultuous and divisive social change Gripping Michiko Kakutani The New York Times By writing the best presidential biography the country has ever seen Caro has forever changed the way we think and read American history It's his immense talent as a writer that has made his

biography of Johnson one of America's most amazing literary achievements As absorbing as a political thriller A masterpiece unlike any other work of American history published in the past It's true that there will never be another Lyndon B Johnson but there will never be another Robert A Caro either NPR One of the truly great political biographies of the modern age A

masterpiece The Times London The Path to Power reveals the genesis of the almost superhuman drive energy and urge to power that set LBJ apart Chronicling the startling early emergence of Johnson's political genius it follows him from his Texas boyhood through the years of the Depression in the Texas Hill Country to the triumph of his congressional debut in New Deal Washington to his heartbreaking defeat in his first race for the Senate and his attainment nonetheless of the national power for which he hungered National Book Critics Circle Award in Nonfiction Means of Ascent follows Johnson through his service in World War II to the foundation of his long concealed fortune and the facts behind the myth he created about it The

explosive heart of the book is Caro's revelation of the true story of the fiercely contested 1948 senatorial election which Johnson had to win or face certain political death and which he did win by 87 votes that changed history Caro makes us

witness to a momentous turning point in American politics the tragic last stand of the old politics versus the new the politics

of issue versus the politics of image mass manipulation money and electronic dazzle National Book Critics Circle Award in Biography Master of the Senate carries Johnson's story through his twelve remarkable years in the Senate. It is an unprecedented revelation of how legislative power works in America how the Senate works and how Johnson in his ascent to the presidency mastered the Senate as no political leader before him had ever done. In a breathtaking tour de force Caro details Johnson's amazing triumph in maneuvering to passage the first civil rights legislation since 1875 Pulitzer Prize in Biography Los Angeles Times Book Award in Biography National Book Award in Nonfiction The Passage of Power is an unparalleled account of the battle between Johnson and John Kennedy for the 1960 presidential nomination of the machinations behind Kennedy's decision to offer Johnson the vice presidency of Johnson's powerlessness and humiliation in that role and of the savage animosity between Johnson and Robert Kennedy. In Caro's description of the Kennedy assassination which The New York Times called the most riveting ever we see the events of November 22 1963 for the first time through Lyndon Johnson's eyes. And we watch as his political genius enables him to grasp the reins of the presidency with total command and within weeks make it wholly his own surmounting unprecedented obstacles in order to fulfill the highest purpose of the office National Book Critics Circle Award in Biography Brilliant Important Remarkable In sparkling detail Caro shows Johnson's genius for getting to people friends foes and everyone in between and how he used it to achieve his goals. With this fascinating and meticulous account Robert Caro has once again done America a great service. President Bill Clinton The New York Times Book Review front cover The politicians political book of choice An encyclopedia of dirty tricks that would make Machiavelli seem naive London Literary Review Making ordinary politics and policymaking riveting and revealing is what makes Caro a genius. Combined with his penetrating insight and fanatical research Caro's Churchill like prose elevates the life of a fairly influential president to stuff worthy of Shakespeare. Robert Caro stands alone as the unquestioned master of the contemporary American political biography The Boston Globe

It focuses on the tradition of common political ideas the original roots of common European and American thought the decision by the two continents not to develop in isolation from one another and the traditional ambivalence of the European caught indecisively between reliance upon and distance from the United States. From classical antiquity to contemporary society Mathiopoulos unfolds the paradoxical relationship between the U.S. and Europe the simultaneous occurrence of reciprocal attraction and mutual misunderstanding. She describes how America was born of European intellectual stock enlightenment reason religious

freedom equality democracy the rights of man and the desire to achieve these things in the New World She also tells us that the idealism of progress of the European enlightenment gave rise to the American Dream which constitutes the consciousness of the American people and is woven into their domestic and foreign policy to this day This stimulating book will interest anyone involved in the field of comparative political thought as well as those interested in the evolutionary and revolutionary process of the idea of progress in Europe and the United States The idea of progress forms the core History and Progress Mathiopoulos shows that faith in progress and the desire for a better world have been the major stimuli for historical change in the modern world She describes how Europe gave birth to this idea and throughout history became largely disenchanted with it In contrast the United States inherited this concept and has utilized it for over 200 years to maintain its sense of identity and self awareness History and Progress explains not only how the idea of progress inspired the founding of America but how the concept provides momentum for the historical development of the nation to the present In short the American Dream preserved the progressive optimism projected by the Enlightenment in the United States even when it had since disappeared from European historical thought
