gathered around him again after a long separation Fresh from their adventures and experiences as seekers alone in the  
marketplace this book is full of genuine pertinent questions and enlightened responses from Osho that will inspire each one  
of us to live our full potential and risk walking on the razor s edge of life You have taken the first step towards reality now  
never look backwards however dangerous it seems because as questions and answers and I and you start disappearing you  
will find yourself entering into a more and more unknown space This I call the razor s edge Osho    **Tao** Shree Rajneesh

This book is a pilgrimage in search of that indefinable something that all of us at some time or other in our lives feel is  
missing what Osho describes as our hidden splendor You go on missing something something that you had known but you  
have forgotten a faded memory a lost remembrance And the gap is not only a gap it is a wound It hurts because you had  
brought something with your birth into the world and you have lost it somewhere And it seems impossible to find it in this
