Bounds,1996-10-11 This is the first systematic look at Erle Stanley Gardner's character Perry Mason. Bounds uses a combination of neoformalist and production of culture approaches and explores the characters and situations of the lawyer detective narrative of Perry Mason showing how it has been created produced and reproduced over time in different media. Relying on archival data and detailed textual analysis this book identifies a complex series of stylistic devices and motivations that govern each production ultimately presenting an insightful look at a well known figure in American popular culture. This book contains an exhaustive list of the various manifestations of Perry Mason in novels films television radio comic strips and other forms    **Encyclopedia of Television** Horace Newcomb,2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context. **Latin in Modern Fiction** Henryk Hoffmann,2021-07-06 The goal of this book is to prove that Latin is not a dead language by demonstrating how prevalent and strong it still is in modern Western culture. In order to do so the author an English philologist with a long experience as a Latin educator catalogues explains and interprets Latin quotations and references in a multitude of twentieth and twenty first century literary works by primarily mainstream authors from Aldous Huxley to Saul Bellow to John Irving crime mystery writers from Raymond Chandler to Elizabeth George to Dennis Lehane and frontier western novelists from Emerson Hough to Larry McMurtry. The three areas of fiction constituting the main scope of the book indicate the author's major interest and preference as well as the subject matter of his extensive research both prior and current the former related to his already published books. The writers offering the most impressive contributions to the thesis are featured in the three parts of the main body those with lesser input are listed in the Appendix. The prospective readers of the book include all Latin students and educators at the secondary and college levels worldwide    **The Perry Mason Casebook** Erle Stanley Gardner,1933 **The case of the sulky girl** **The case of the careless kitten** **The case of the fiery fingers**
