# Sudden Country 1st Edition Signed

**Marcel A. Müller**

## **Sudden Country 1st Edition Signed:**

The Wellesley Index to Victorian Periodicals 1824-1900 Walter E. Houghton, 2013-05-24 Simply a great work of reference Future scholars will wonder how anybody managed without the Wellesley Index It will quietly change the whole nature of Victorian studies Christopher Ricks New Statesman It is now impossible to think of Victorian literary and historical studies without the benefit of it this is a very remarkable achievement indeed the complete set will be a monument to the Houghtons foresight pertinacity and skill TLS

Abbott, 2009 This bibliography documents all phases of Vidal's ongoing remarkable work. It focuses on Gore Vidal as a writer from 1940 through June 2009. In two volumes, second on CD, this is the definitive comprehensive and descriptive bibliography of his work and is a valuable reference book for libraries, collectors, scholars, booksellers, and Vidalophiles. The book is organized in user-friendly sections of which the A Books and Pamphlets, B Contributions to Books and Pamphlets, and D Foreign Language Translations of Books. Sections identify with detailed descriptions Vidal's books, significant textual variations within a title by comparing different editions of a book, books and pamphlets with contributions by him and foreign translations in more than 30 languages with full bibliographic citations of the books in French, Italian, and Spanish. More than 400 of his contributions to periodicals are listed and cross-referenced to their reappearances in books, collections, and anthologies. Also included are selected interviews with Vidal. His screenplays for film and television, both original writings and adaptations, are included, as are web postings and podcasts of essays, comments, excerpts, and reviews. The Appendices include a chronology of Vidal's life, a table of essay titles including title changes, a table of Vidal's small press appearances, a selection of critical works about him and his oeuvre, and a listing of Vidal's work as an actor. More than 650 images of the covers and title pages of a wide selection of Vidal's books are included in grayscale in Volume I and more than 1400 in color on the accompanying CD-ROM. Through this bibliography, scholars and readers interested in literature, social commentary, sexuality, media, religion, history, politics, and public life have a valuable tool for research on one of the Modern Era's most celebrated authors.
