

SUPERNATURAL *ISLE of MAN*

JENNY RANDLES

NEW EDITION EDITED BY SUE WOOLLEY

Supernatural Isle Of Man

**Lucius Edwin Smith, Henry Griggs
Weston**

Supernatural Isle Of Man:

Supernatural Isle of Man Jenny Randles, 2003 The ancient kingdom of Mann has many unique charms from its steam trains and horse trams to the world's oldest unbroken parliamentary democracy However the island is also home to a rich gathering of legends and present day mysteries Where else in modern times would you find a UFO crash on a mountain top alongside precautions to ensure that the present British monarch paid homage to strange beings that live under a bridge This book brings you the adventures of the fenoderee who created the world's first crop circles It talks about the fearsome moddey dhoo that terrified castle guards plus dozens of other amazing cases including the most bizarre twentieth century poltergeist story on record Even the island's creation myth is steeped in the supernatural Whether following these weird tales from the comfort of your armchair or using the book's visitor friendly features on an actual trip you will find that wonder and mystery are alive and well just 60 miles off the British shores Supernatural Isle of Man is the most informative and up to date account of this magical island

Otherworlds Aisling Nora Byrne, 2016 This book offers a new perspective on the otherworlds of medieval literature These fantastical realms are among the most memorable places in medieval writing by turns beautiful and monstrous alluring and terrifying Passing over a river or sea or entering into a hollow hill heroes come upon strange and magical realms These places are often very beautiful filled with sweet music and adorned with precious stones and rich materials There is often no darkness time may pass at a different pace and the people who dwell there are usually supernatural Sometimes such a place is exactly what it appears to be the land of heart's desire but the otherworld can also have a sinister side trapping humans and keeping them there against their will Otherworlds Fantasy and History in Medieval Literature takes a fresh look at how medieval writers understood these places and why they found them so compelling It focuses on texts from England but places this material in the broader context of literary production in medieval Britain and Ireland The narratives examined in this book tell a rather surprising story about medieval notions of these fantastical places Otherworlds are actually a lot less other than they might initially seem Authors often use the idea of the otherworld to comment on very serious topics It is not unusual for otherworld depictions to address political issues in the historical world Most intriguing of all are those texts where locations in the real world are re imagined as otherworlds The regions on which this book focuses Britain Ireland and the surrounding islands prove particularly susceptible to this characterization

Kings, Usurpers, and Concubines in the 'Chronicles of the Kings of Man and the Isles' R. Andrew McDonald, 2019-09-26 This Palgrave Pivot explores the representation of sea kings sinners and saints in the mid thirteenth century Chronicles of the Kings of Man and the Isles the single most important text for the history of the kingdoms of Man and the Isles c 1066 1300 The focus of the Chronicles on the power struggles plots and intrigues within the ruling dynasties of Man and the Isles offers an impressive array of heroes and villains The depiction of the activities of heroic sea kings like Godred Crovan tyrannical usurpers like Harald son of Godred Don and their concubines and wives as well as local heroes like

Saint Maughold raises important questions concerning the dynamic interactions of power gender and historical writing in the medieval Kingdoms of Man and the Isles and provide new insights into the significance of the text that is our most important source of information on these Forgotten Kingdoms of the medieval British Isles Religions of the World J. Gordon Melton, Martin Baumann, 2010-09-21 This masterful six volume encyclopedia provides comprehensive global coverage of religion emphasizing larger religious communities without neglecting the world's smaller religious outposts Religions of the World Second Edition A Comprehensive Encyclopedia of Beliefs and Practices is an extraordinary work bringing together the scholarship of some 225 experts from around the globe The encyclopedia's six volumes offer entries on every country of the world with particular emphasis on the larger nations as well as Indonesia and the Latin American countries that are traditionally given little attention in English language reference works Entries include profiles on religion in the world's smallest countries the Vatican and San Marino profiles on religion in recently established or disputed countries Kosovo and Nagorno Karabakh as well as profiles on religion in some of the world's most remote places Antarctica and Easter Island Religions of the World is unique in that it is based in religion on the ground tracing the development of each of the 16 major world religious traditions through its institutional expressions in the modern world its major geographical sites and its major celebrations Unlike other works the encyclopedia also covers the world of religious unbelief as expressed in atheism humanism and other traditions Gef! Christopher Josiffe, 2021-02-24 An exhaustive investigation of the case of Gef a talking mongoose or man weasel who appeared to a family living on the Isle of Man I am the fifth dimension I am the eighth wonder of the world During the mid 1930s British and overseas newspapers were full of incredible stories about Gef a talking mongoose or man weasel who had allegedly appeared in the home of the Irvings a farming family in a remote district of the Isle of Man The creature was said to speak in several languages to sing to steal objects from nearby farms and to eavesdrop on local people Despite written reports magazine articles and books several photographs fur samples and paw prints voluminous correspondence and signed eyewitness statements there is still no consensus as to what was really happening to the Irving family Was it a hoax An extreme case of folie plusieurs A poltergeist The possession of an animal by an evil spirit Now you can read all the evidence and decide for yourself Seven years research and interviews photographs many previously unseen interviews with surviving witnesses visits to the site all are presented in this book the first examination of the case for seventy years In the words of its mischievous enigmatic subject If you knew what I know you'd know a hell of a lot *Manx Kingship in Its Irish Sea Setting, 1187-1229* Russell Andrew McDonald, 2007 For over forty years King Ragnvald Godredsson of Man and the Isles was a power to be reckoned with in the seas between Britain and Ireland This book explores Ragnvald's reign within the framework of the dynasty to which he belonged the Crovan dynasty and the ultra competitive arena of the Irish Sea basin in the decades around 1200 *Island scenery: the Isle of Man, Isle of Wight, and the British islands* Island scenery, 1893 **The Traveller's Guide to Fairy Sites** Janet Bord, 2004 Concentrating on places that are identifiable and

able to be visited today the sources drawn on range from traditional folklore to modern first hand sighting reports The entries give precise locations including Ordnance Survey map references All the different types of Little People are represented They are mostly not the pretty winged fairies that appear in children s picture books Real fairies can be frightening By reading these stories and travelling to the fairy sites the reader will gain a sense of what it is to inhabit that Otherworld of the fairies Book jacket *The Fairy-faith in Celtic Countries* Walter Yeeling Evans-Wentz,1911 In this study which is first of all a folk lore study we pursue principally an anthropo psychological method of interpreting the Celtic belief in fairies though we do not hesitate now and then to call in the aid of philology and we make good use of the evidence offered by mythologies religions metaphysics and physical sciences **An Introduction to the History of Religion** Frank Byron Jevons,1896 Notes and Queries: a Medium of Inter-communication for Literary Men, Artists, Antiquaries, Genealogists, Etc ,1886 **Peveril of the Peak** Walter Scott,1876 **The Saturday Review of Politics, Literature, Science and Art** ,1890 Saturday Review ,1889 **Nature** Sir Norman Lockyer,1897 **The Once and Future Arthur** Edmund R. Meskys,1989 **The British National Bibliography** Arthur James Wells,2004 **Second catalogue, including the additions made since 1882** Baltimore Peabody inst, libr,1896 *The Baptist Quarterly* Lucius Edwin Smith, Henry Griggs Weston,1872 *The Baptist quarterly* ,1872
