experimental fiction with equal ease and grace The brilliant story telling of the Alvin Maker books is no accident the breathless excitement evoked by the Ender books is not a once in a lifetime experience In this enormous volume are forty six stories plus ten long intensely personal essays unique to this volume In them the author reveals some of his reasons and motivations for writing with a good deal of autobiography into the bargain One of the genre s most convincing storytellers An important volume Library Journal At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

The Bear King James Greenwood,1868 **The three bears** Kevin Scally,1984 **Lucifer** ,1892 **Barye; Life and Works of Antoine Louis Barye, Sculptor** Charles De Kay,1889 The volume offered by the Barye Monument Association to those interested in the fund for a monumnet to Antoine Louis Barye at Paris is the memorial of a very uncommon event The United States has no sentimental feeling with regard to France as the fatherland like that which a large number of American cherish toward Great Britain and Ireland Bonds of amity were knit in the past and others have been formed since France became a republic but the difference of tongue more than offsets these Therefore great merit must exist in the artist whose work exercises enough fascination to set Americans on the task of gathering funds for a monument that is to stand three thousand miles away across the ocean It is often said that art has no country But when before this has a foreign land raised a monument to a sculptor of modern times Preface note

Enchantment Orson Scott Card,2005-05-31 In Enchantment Orson Scott Card works his magic as never before transforming the timeless story of Sleeping Beauty into an original fantasy brimming with romance and adventure The moment Ivan stumbled upon a clearing in the dense Carpathian forest his life was forever changed Atop a pedestal encircled by fallen leaves the beautiful princess Katerina lay still as death But beneath the foliage a malevolent presence stirred and sent the ten year old Ivan scrambling for the safety of Cousin Marek s farm Now years later Ivan is an American graduate student engaged to be married Yet he cannot forget that long ago day in the forest or convince himself it was merely a frightened boy s fantasy Compelled to return to his native land Ivan finds the clearing just as he left it This time he does not run This time he awakens the beauty with a kiss and steps into a world that vanished a thousand years ago A rich tapestry of clashing worlds and cultures Enchantment is a powerfully original novel of a love and destiny that transcend centuries and the dark force that stalks them across the ages
