The Man Responsible:

A Man's Responsibility Joseph B. Meszler, 2010-09 What is Jewish men's spirituality In today's world is it necessary A provocative look at how a new generation of Jewish men can grow spiritually and in doing so strengthen the intangible bonds of family love duty and truth which ultimately lead to God It unearths the male stereotypes that exist in Judaism and color our expectations for what it means to be a Jewish man in today's world It examines Jewish sources that reveal the traditional life cycle of a man from son to partner in marriage to father and in doing so uncovers the ideals that define being a Jewish man It also views Jewish men within the context of a sacred community and what that means for the sacred obligations of manhood
