The Manhattanites:

The Island at the Center of the World Russell Shorto, 2013-11-01 Narratively irresistible intellectually provocative historically invaluable Simon Callow Guardian Astonishing a book that will permanently alter the way we regard our collective past New York Times A landmark work Shorto paints the emotions and attitudes of his characters with a sure hand and bestows on each a believable living presence The Times When the British wrested New Amsterdam from the Dutch in 1664 the truth about its thriving polyglot society began to disappear into myths about an island purchased for 24 dollars and a cartoonish peg legged governor But the story of the Dutch colony of New Netherland was merely lost not destroyed Drawing on the archives of the New Netherland Project Russell Shorto has created a gripping narrative that transforms our understanding of early America
