his later phase that offer acute insight into life under the eased restraints of a nominally democratic Spain. Included in this collection are *Behind the Scenes in Eden* 1978 a wry retelling of events in Eden from a feminist perspective; *Rigmaroles* 1990 which recounts Golden Age author Juan Timoneda's domestic turmoil precipitated by a change in political winds; and *The Other William* 1998 in which Shakespeare appears as an opportunistic actor taking credit for someone else's writing. All three comedies revel in the foibles of protagonists who in their search for self determination never quite manage to escape the spectre of tyrannical authority.
